A Winning Outlook for our Society

Spring is here, breeding and foaling season has begun, foals are frolicking in the field. I'm looking forward to seeing many of them at the inspections this year. If last year was any indication, we can look forward to another successful tour. With a record of approximately 50 inspections sites, it was the largest tour to date. This year we are looking forward to having Maren Schlender and Anna Von Holten-Jungheit from Germany join our judges.

Kudos to our great inspection team for stepping up to the plate and making 2021 a success! The "team" includes not only the judges who traveled great lengths but also the inspection tour committee and the terrific people we have in the newly organized office. This organization enables members and volunteers to better connect with the office. New office personnel are Operations and Marketing Manager—Janice Thompson, Registrar—Christy Markawski and Membership Coordinator—Emma Pennell. Their enthusiasm was unbeatable last year. They not only learned and improved the workings of the office, but simultaneously prepared for the largest inspection tour to date. These are the people you talk with when calling the office and each one of them is doing a great job getting business done with a smile.

Special thanks go out to Rick Toering and Natalie DiBerardinis who spent hours daily for months to oversee the staff transition. They continue to guide our personnel, and are the best

resource we could wish for. Both Natalie and Rick were recognized for their efforts with Honorary memberships by the board as a thank you for going over and above.

Part of the new office structure allows for a designated office liaison for each committee and better connecting with our ever-active volunteers on committees. With their forces joined, you may have noticed the stream of Hanoverian and Rhineland promotions. Spear-headed by Jessica Stallings, the "new" fundraising committee just completed a fantastic stallion service auction. Thank you to the donors and participants who make this possible. After completing the auction, they whipped out a Hanoverian Ukrainian t-shirt fundraiser to support those impacted abroad. The Education committee is producing webinars and top-ranking podcasts, as well as a Hanoverian and Rhineland breeders' course with Dr. Ludwig Christmann at Devon.

You saw that right—Ludwig will be with us again! Now retired, we are happy Ludwig will still be available to do some teaching and judging for us. Going back 40 years, Ludwig has been our Verband liaison, a friend instrumental in the growth and development of the Society. Ludwig received a "membership of distinction," voted for unanimously by the membership during the 2022 annual meeting.

We have so many great volunteers, but it comes as no surprise to many that Jessica Stallings is the

recipient of this year's president's award, the 2022 Volunteer of the Year. Congratulations, Jessica! Thank you for all you do for the Society.

Thank you also to donors and sponsors! We have many wonderful donors and awards sponsors who are deeply appreciated. New awards include the beautiful perpetual bronze "Wendel Haymon" Trophy, presented during the annual meeting and sponsored by Don and Dee Kapper. Thank you, Buckeye Nutrition, for sponsoring our inspection tour, and "Warmblood Stallions of North America," for sponsoring our popular Yearling and Two-Year-Old Futurity!

When it comes to fundraising, our committee is bringing the Society to new heights. One thing discussed for years, but never changed, is the need for the Society's nonprofit corporation to either start a foundation or go from the current 501(c)(5) status to a 501(c)(3). Having tax deductibility will help our Society tremendously going forward. The Board hired an attorney who determined the proper formula to get the 501(c)(3) change done and after completing the application process, members were sent a ballot to vote on this change.

Did you follow our North American Stallion Sports Test last fall and notice an amazing 28 participants? Most were bred and raised in North America! Who thought this was possible when we started the three-day format? An amazing accomplishment for American breeders! It's a great format to test young stallions, and we will be

there again this year for the test and licensing October 8-10 at Pollyrich Farm, Solvang, CA and October 12-14 at Hilltop Farm, Coloma, MD. Thanks to our wonderful hosts, those events are great places to be, and we hope to see you there!

I wish you all a successful breeding, foaling and competition season!

The Engler-Friedlander Memorial Trophy

The Engler-Friedlander Memorial Trophy is awarded to the Hanoverian mare that achieves the highest Mare Performance Test score during the annual inspections. The trophy honors the passing in 1998 of former Society President, Hermann Friedlaender, and long-time board member, Dr. Reto Engler. John and Tracy Weyl generously offered to sponsor the trophy.

DANTE'S PRINCESS (DANTE WELTINO-WIE LIEBE/WOLKENSTEIN II) IS RACKING UP THE ACCOLADES. Not only did she earn a top score in the mare inspection, but she earned the highest score in the mare performance test with a 7.97. In

addition, she was the 2021 USDF Four/Five-Year-Old Materiale Mare Champion with a median score of 83.8, and has competed successfully in the five-year-old young horse classes. Currently she's competing at Third Level with plans for the six-year-old young horse classes this year.

What makes Dante's Princess fun to ride and train is her energy, willingness and gaits. "She has a super hind leg and talent for lateral work, which makes her easy to train," says Marne. However, with all that power, Marne focuses a lot of the work on getting her stronger and more relaxed.

Besides wanting some foals out of her through embryo transfer, Marne hopes she is one of her future Grand Prix

horses—maybe even an international prospect. "She's my heart horse, and one I will enjoy having in the barn for many, many years to come."

The Dr. Hartwig Memorial Trophy

Started in 2001, the Dr. Hartwig Memorial Trophy recognizes the North American-bred three- or four-year-old mare that has the best combined scores from her studbook inspection and her Mare Performance Test.

THIS YEAR'S HONOR GOES TO HPMC PENELOPE PITSTOP HF (Pikko Del Cerro HU-Big Girl/Baroncelli), bred and owned by Lisa Thompson Smith. Besides her conformation, gaits and jumping ability, Penelope's temperament is what makes her a winner. According to her trainer, Katie Terrell, Penelope is calm, level-headed and dependable on the ground and under saddle, without being dull.

"I am able to school dressage in the arena or the field," she states. "She also loves cavaletti work and jumping. She

doesn't find dressage work boring, even though she loves to jump. Both challenge her and keep her attention."

Penelope has proven to have an extremely honest temperament. As a three year old, Katie described how she could be ridden bareback with only a halter in the field. "One time all the horses around her started galloping past her, and she was completely unphased."

Future plans for Penelope include competing at First and Second Levels with the goal to qualify for regional championships and the US Dressage

Finals, and perhaps compete in the five-year-old young horse classes. Penelope's temperament and talent should lead to a successful show career.

The Bari von Buedingen Memorial Trophy

The first of the Society's perpetual trophies, the Bari von Buedingen Memorial Trophy, is awarded in memory of noted breeder Bari von Buedingen who, with her husband, Dr. Richard von Buedingen, developed their broodmare band at Graf Bae Farm into one of the best in the United States. First awarded in 1994, the trophy recognizes the Hanoverian mare earning the highest score at the annual inspection tour.

SHARING THE TROPHY THIS YEAR WITH AN INSPECTION score of 8.16 is Dante's Princess (Dante Weltino-Wie

Liebe/Wolkenstein II), bred by Jerry Glynn and owned by Marne Martin-Tucker.

Dante's Princess' sire, Dante Weltino, and her uncle, Desperados FRH, have proven themselves in the international dressage arenas, and the mare line has produced Olympic horses and approved stallions. And from the looks of it, Dante's Princess is not letting her ancestors down.

Obviously Dante Princess has spectacular conformation and movement with a score of 8.16, but Marne says she enjoys her personality too. "She is both a noble and sensitive mare, and I love that."

When she came to Marne, she had a few things to work through such as being quirky about her right ear and not wanting to stand at the mounting block," says Marne. "She is rather a pet, although every once in a while she reminds me she can get excited about things, if she thinks out-of-the-ordinary things are happening. But she trusts me."

Besides competition goals, Marne plans to do embryo transfer with Dante Princess, who earned her elite mare status with mare performance test scores on top of her inspection score.

SHARING THIS PRESTIGIOUS AWARD IS THE HANOVERIAN MARE SARBONNE (Sir Caletto-Filigree S/Freestyle). Sarbonna hails from a very select breeding program, started in 1991 by Barb Gualco of Silverhorse Sporthorse LLC with one very good Thoroughbred mare, Love That Kennedy xx. The bottom side of this pedigree is key to the successful scores achieved by Sarbonne. Love That Kennedy xx participated in the Mare Performance Test (MPT) at the Glenwood site in 1996 and was the top mare in all three sections of the test: conformation, free jumping and under saddle.

Kennedy xx (Kennedy Road xx) had been a winning open jumper on the California A circuit and was bred to a Werther grandson, ES Freestyle

(Frappant/Werther). A daughter, Filigree S, was born, raised and participated in the MPT at the Silverhorse site and, again, resulted in a champion test score. Now, the Sir Caletto-Filigree S daughter, Sarbonne, continued the winning way of the dam line by achieving a remarkable score of 8.16. The Caletto I daughters, it has been said, are highly sought after broodmares in Germany and are proving themselves here in the U.S. as excellent crosses for both jumping and dressage prospects with good, uphill frames.

Barb has concluded from her 25-year-long exercise in studying breeding, as well as training and preparation for shows, that her success underscores the relevance of mare inspections and performance testing.

The Benchmark Farm Perpetual Trophy

The Benchmark Farm Award goes each year to the mare with the highest combined jumping score in her MPT.

The Society's North American Jumper Breeding Program (JBP) has strict pedigree and performance requirements. Mares admitted to the program must either meet certain scores in competition or score an overall 8.0, or better (averaged scores for technique and ability) on the jumping portion of the MPT.

IN 2021, LICENSE TO KILL OTJ (Indoctro-Kimberly Landjonker) jumped beyond the minimum requirements for the Benchmark Award by earning an overall score of 9.25 (9.0 technique and 9.5 ability). Licensed to Kill was bred by Christy Bond and is owned by Fox Lair Sport Horses, LLC.

The Premonition BHF Award

The Premonition BHF Perpetual Trophy goes each year to the highest placing Hanoverian in the hunter division. The award is named in honor of Premonition BHF (Pablo-SPS Galaxis/Ganymed), the inaugural winner of this award in 2017.

THIS YEAR'S WINNER is described by his owner, Niki Zarcades, as a sweet overachiever. Bred by Karsten and Bigitte Harrje in Germany, Veyron (Valentino-Enni/Espri) was imported by a hunter trainer as a sales prospect. Niki saw him as a young six-year-old at a county show, where he was cantering around the ring in a two-foot class with the trainer's 10-year-old daughter. Niki remembers he was "chipping and cross-

cantering, but it didn't seem to bother him, and he was a beautiful mover." When Niki tried him later, he ran out at the first jump, a cavaletti! "But the rest of the time, I felt so comfortable with him, and he was the right size for me—he's 16 H and I'm 5'2"—so it was a go."

While Veyron can be a bit sensitive at times, Niki says he's never bucked or gotten silly with her, and he's always respectful of his rider and very careful over jumps. "If he rubs or knocks a rail, the next time he will jump two feet over just to make sure he clears it."

Niki enjoys his positive and outgoing demeanor. "Every day is a new day to him: new sights to see and new horses to talk to." When Niki switched to a new trainer a couple of years ago,

Veyron was a little overweight, so he rightfully earned the nickname, Dumpling. After he lost the weight, the nickname didn't really fit, so he became Sweet Potato because he loves attention...and treats.

Niki's future plans for Veyron include learning to be an even better rider with him in the hunter ring. "I want to keep doing the adult amateur hunters for as long as we both enjoy it."

Brooklea Farm Overall Champion Eventing Award

The Brooklea Farm award recognizes the Overall Eventing Horse of the Year. The champion from each of the seven eventing levels—beginner novice through advanced—is assigned a percentage factor that reflects the increasing difficulty of the levels. The horse with the most points after the difficulty factor has been added is named the Eventing Horse of the Year.

DANITO, OWNED BY RUTH BLEY, is the 2021 Brooklea Farm Eventing Trophy Winner.

Last year, Danito traveled to the Netherlands to compete as a Nations

Cup team horse at the Military Boekelo where he finished tenth and the team finished second. Expertly piloted by Tamie Smith, they were third after dressage and had two unfortunate rails in show jumping, resulting in the 10th place finish. Danito has been steadily improving in strength and technique in the show jumping ring. If all goes as planned this year, Danito is gearing up for a 5*. Otherwise, this year may provide Danito the opportunity for personal growth.

What makes Danito special is that he shows up for work every day. He's the little orange horse that could and does. He's very unassuming to be around and

his main priority is food. A bomb could go off while you're grazing him and he's not even going to lift his head. Tamie has her work cut out keeping him fit enough to run the upper levels, but they manage to get it done.

The future is hopefully more team events, Europe or national events.

Greengate Farm Award

The Greengate Award was established in 2019 by Rachel and Warren Ehrlich of Greengate Farm in Massachusetts to honor the breeder of an American-born horse that is a high score winner at the US Dressage Finals at National and FEI Levels.

SUPERGIRL KS (ES Sinatra Song-MS Nisha KS/ES Nocturno), was bred by Karan and Tom Schwencer of North Carolina. Now owned and ridden by Susan Cotter, Supergirl KS was the 2021 Adult Amateur National Levels winner.

Supergirl spends her days flat out snoozing in the sun with her best friend

Rumor and “drinking black tea from my mug!” says Susan. Supergirl KS also competed at the Dressage at Devon breed show, successfully participated in the MPT, had a top colt (thereby becoming a Hanoverian Premium Mare) and was double champion at the Region 1 GAIG USDF Championships in Training Level Adult Amateur and First Level freestyle. Susan says, “Supergirl and I had an incredible year that still amazes me!”

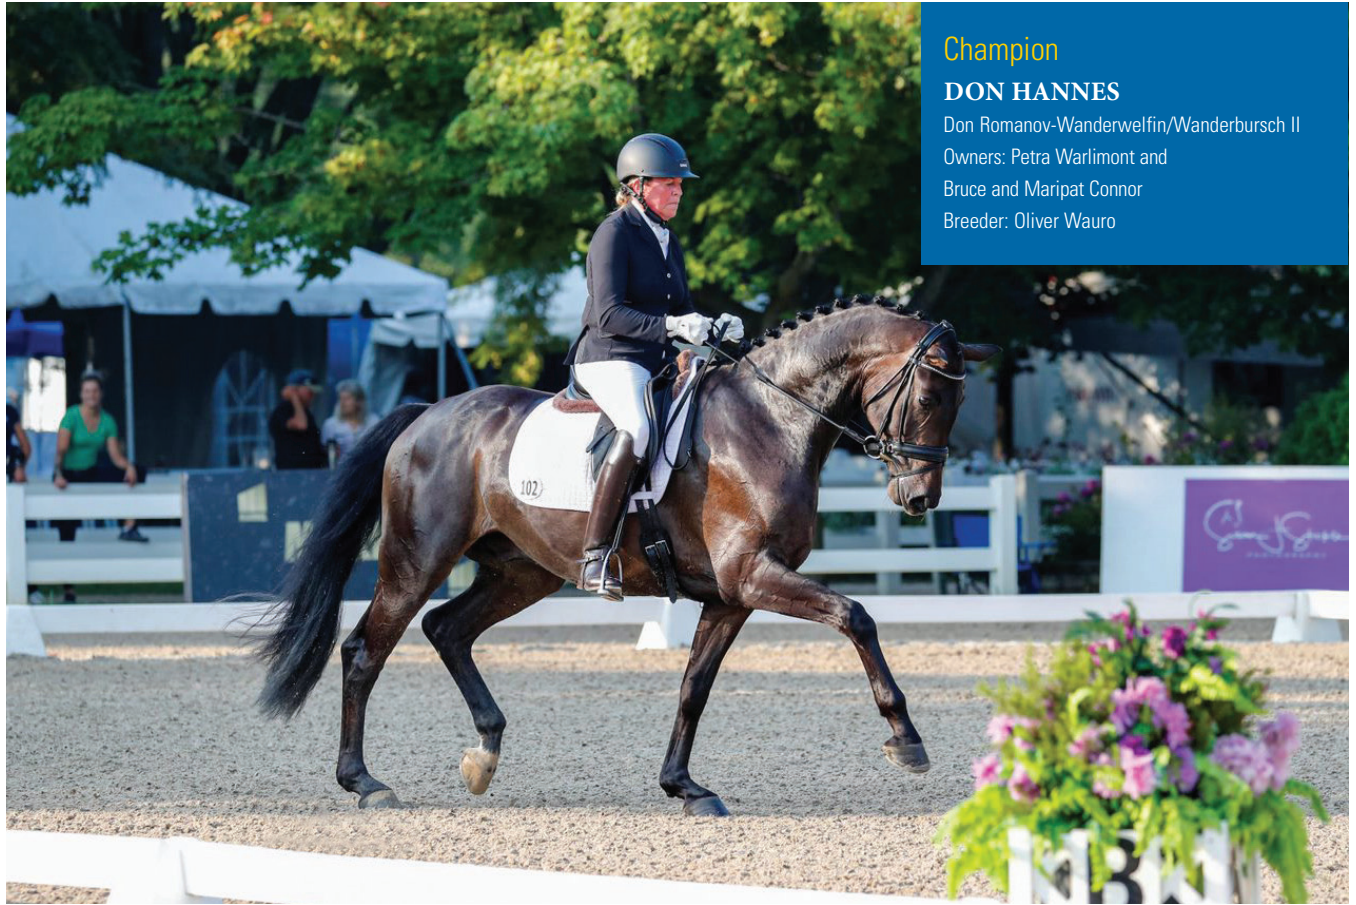

WISE UP (ES Wake Up-MS De La Rosa/P.B. De Niro), bred by Leslie Waterman of Tennessee, was the Open National (USEF) Level winner.

Owner/rider Heather Kurtz says, “Wise Up is one of the sweetest horses

I’ve ever met. He loves to cuddle and be fussed over. He’s also an incredibly hard worker, which makes him so fun to ride and train! We plan to compete in the FEI 5-Year-Old classes this year, and hope to make it back to the US Dressage Finals at First Level.”

BROOKLYN GCF (ES Bonheur-EM Greta Garbo/HLP Grand Cru), bred by Sharon Garner, is the FEI Level champion.

My favorite thing about Brooklyn is her work ethic,” says Barrett Barksdale. “We are both beginners to the FEI world, but Brooklyn is always ready to learn something new. She is tolerant of my mistakes and her trainability is unparalleled.”

Dr. Wendell Haymon; the perpetual trophy; Don and Dee Kapper who will generously sponsor this annual award.

The Dr. L. Wendell Haymon Memorial Trophy

On July 16, 2020, the equestrian community lost an ardent supporter of Hanoverian dressage breeding, Dr. L. Wendell Haymon, PhD.

Dr. Haymon touched many lives of fellow breeders and dressage enthusiasts. His support of Marydell Farm with his wife, Maryanna Haymon, garnered both national and international respect.

One of the primary focus points was the “Born in the USA” programs in dressage. Marydell Farm sponsored high score “Born in the USA” champions at many prestigious CDIs and national shows. Awards included halters, coolers and prize money with 20 percent of the purse going to the breeder and 80 percent to the owner.

In honor of his many contributions, Don and Dee Kapper have generously sponsored this perpetual trophy in Wendell Haymon’s name.

IN MEMORY OF WENDELL’S SUPPORT OF “Born in the USA,” this new trophy will be for a Society member-owned and Hanoverian-papered stallion,

conceived and born in the USA (may be by foreign Hanoverian-approved stallion’s frozen semen) that shows at Grand Prix in dressage. The winner will be determined by the highest average score (three score minimum) of those eligible in a given year. A stallion will be eligible if the dam was standing in the United States at time of conception and foals out in the US.

An embroidered cooler for the stallion will be awarded, and the names of the recipients will be placed on the trophy’s base. A stallion may only receive the trophy two times with the same rider.

The perpetual trophy is a bronze by artist, Tammy Tappan of Equine Instincts, and is of a stallion piaffing. Standing 18 inches tall, 18 inches long and 9 inches wide, weighing approximately 40 pounds, the trophy bears the name of Marydell Farm’s flagship stallion, Don Principe. The names of the recipients will be placed on a based made from the white oak of a 200-year-old tree from Marydell Farm.

While standing in the US, Don Principe was the sire of Doctor Wendell MF (Don Principe/Sandro Hit). “Doc” has gone on to be an international

competitor with his adult amateur owner/rider, winning the “Russia Cup” for Grand Prix, and being selected for the Tokyo Olympics. He is currently ranked 108th in the world at Grand Prix. If Doctor Wendell MF was in the US, he would be the initial recipient of the Dr. L. Wendell Haymon Memorial.

The Doug W. Leatherdale Perpetual Trophy

The Doug W. Leatherdale Perpetual Trophy will be inaugurated in 2022 with an office award name yet to be selected. The trophy itself is a beautiful mare and foal bronze statue that will feature its first winner in the 2023 edition of the Awards Magazine.

This beautiful bronze perpetual award will serve as a wonderful tribute to the many years Doug shared his immense leadership on the Society Board as president, as well as his passion for the Hanoverian horse with breeders, riders/competitors, and horse enthusiasts across North America, Germany and many European countries where he and his wife, Louise, were the most genuine and gracious Hanoverian ambassadors.

“

With Jaguar Van Paemel, our mare came into foal on the first try. He's a lovely stallion (and super potent!). It was an easy process all around. We will be breeding multiples back this year.

DEMAND THE BEST

CONTEROS BY CONTENDER

His huge scope, fantastic rideability and excellent conformation make Conteros a very complete stallion who can improve jumper breeding across the board. With his impressive stature and exceptional front end, Conteros is especially suited for improving the conformation of jumper or hunter type mares while passing on his talent for the top-levels of the sport.

www.facebook.com/conterosbycontender

Conteros has outstanding bone, type, an elegant head, and a true gentleman's character. A beautiful jump and dreamy gaits seem to be standard fare for his offspring. We are excited to offer this top quality Hanoverian stallion to North American breeders so that his legacy may continue to live on. Horses like this come along but once in a lifetime. Top quality fresh and frozen semen available with excellent fertility and conception rates.

WRISE UP Wake Up-De La Rosa/De Niro

"Wrise Up is one of the sweetest horses I've ever met," says owner, Heather Salden Kurtz. "He's also an incredibly hard worker, which makes him fun to ride and train. This year, we plan to compete in the FEI Five-Year-Old classes and hope to make it back to the US Dressage Finals at First Level."

LISA MICHELLE DEAN PHOTOGRAPHY

FARLEY 4 HLP Fabriano-Wonja Z/Woodstock

"Farley and I have been partners for less than a year," says owner, Chloe Fullar. "We've accomplished so much in that short time, including competing at USDF Regionals, US Dressage Finals and my first CDI. I'm grateful and blessed to have this awesome dance partner!"

PIGS OF YOU

SUPERGIRL KS

Sinatra Song-Nisha KS/
Nocturno

"I got Supergirl as a two-year-old from her breeder, Karan Schwencer," says owner, Suzanne Cotter. "We've competed at the Dressage at Devon breed show, attended the MPT, had a top colt (earned premium mare status), and then were adult amateur champions at Training Level and First Level freestyle at regional championships."

SUSAN STICKLE

BROOKLYN GCF

Bonheur-Greta Garbo/Grand Cru

While they are both novices in the FEI world, what makes it work is Brooklyn's work ethic, trainability and her forgiving attitude, according to her owner, Barrett Barksdale. "She's always ready to learn something new and is tolerant of my mistakes," she says. "In 2022, we're aiming to debut at Grand Prix. She's my heart horse!"

EYE CANDY

Escudo II-Goldstern/Grenadier

Eye Candy and owner Robin Mattson, had a very successful Dressage Finals as they took home the Hanoverian High Score Breed Award in the National Junior/Young Rider Class.

ROBES BIBER

Robespierrot-Nimfa/Oula Owl

One thing Rebecca Roman enjoys about riding Robes Bieber is how personable he is. "He loves attention—he's like a giant puppy dog and will follow me everywhere," says Rebecca who was busy competing him this winter in the small tour at the Global Festival CDI circuit in Wellington. She says his work ethic and desire to please make him a "dream to ride."

2021 Adequan®/USDF Hanoverian All-Breeds Awards

The 2021 show season proved to be exceptional, as Hanoverian-bred horses topped the winner's list in many divisions. A complete listing and photos of the American Hanoverian Studbook year-end awards winners in dressage, eventing, hunters, jumpers and sport horse breeding have also been published on the website hanoverian.org.

PICS OF YOU

SUPERGIRL KS ES Sinatra Song-MS Nisha KS/ES Nocturno

Supergirl has proven herself in both the breeding and competition arenas. Given her successes, she has earned her time relaxing between her training sessions. According to her owner, Suzanne Cotter, "Supergirl spends her days flat out, snoozing in the sun with her best friend, Rumor."

LISA MICHELLE DEAN PHOTOGRAPHY

RAPHAEL DM ES Rubinero-SPS/MS Farina/HLP Fabriano

"I purchased Raphael as a weanling and could not be prouder of what he accomplished in his first year under saddle," said owner, Amy Hertel. "He started the 2021 show season with only six months of training. He has a very natural uphill balance, especially in the canter, and handles every new situation calmly."

LISA MICHELLE DEAN PHOTOGRAPHY

FIONA MRF First Ampere-EM Chenya/ES Contucci

Fiona has a very unusual show warmup routine. "After every warmup, Fiona drinks water from her favorite little green bucket. She looks for it!" says owner, Kathleen Marsh. "So while her rider, Maureen, drinks from her water bottle, Fiona drinks from hers. I'm the only owner/groom who has to carry water buckets around the grounds!"

JOHN BOHNS PHOTOGRAPHY

LADY IN RED WS ES Liberty Gold-MS Winessa/PB. De Niro

"It's been an incredible journey," says Heather McCarthy who rides Lady in Red. "She always has this 'look at me' presence. She has a tremendous amount of go in a little package and shows great talent in her lateral ability. Once she learns tempis aren't as exciting as she thinks they are, they are going to be wonderful!"

"He's very social—loves people and other horses," says owner, Laura Tillman. "His great love was Dora, an elderly Haflinger mare. He would watch her wherever she went. Dora developed a terminal tumor and had to leave the barn. GQ was overwhelmingly distraught and so agitated that we worried he would injure himself. We brought Dora to GQ one last time, so she could say goodbye."

TAYLOR PENCE US EQUESTRIAN

"She's a gem!" says owner, Cindy Kidd. "She's always the first to reach over her stall door to greet me anytime I enter the barn. She enjoys having her photo taken and loves to look at herself in the mirror. She often looks at herself without moving her head, but cuts her eyes, as if she wants to make sure she is dressed perfectly for the training session."

WON LIRA ES Widmark-EM Drama Queen/Don Frederico

Lira is an "apple connoisseur extraordinaire," according to owner, Cindy Kidd. "Lira was first introduced to Honeycrisp apples. However, the price of these apples skyrocketed. We tried Red Delicious, Granny Smith and others, but Lira would turn them all away after just a bite and would give a 'what the heck' look. We bit the bullet and continue to buy Honeycrisp."

TANQUERAY
MRF

Totilas-EM Revlon/ Rohdiamant

"Tanqueray is just a happy, goofy horse," says owner, Caryn Vesperman. "He's always happy to be taken out of the stall and go to work, loves being groomed, and is always the horse to greet anyone and any horse with his annoying, recognizable, high-pitched whinny. If he was a human, he'd be the kid in the propeller hat."

ROYAL PIPPA FLF Royal Prince-Jumanji/Calimero

Royal Pippa's enthusiasm for learning things is one of her best traits, according to owner, Susan Carlsgaard. "She learns quickly and has a big heart." Future plans for the two of them include building their relationship and making it to Grand Prix. "It's a big goal," says Susan, "but in the end, we'll go as far as she is capable."

STILETTO MRF Sir Donnerhall I-Britania/Bordeaux

"I really enjoy riding horses we've bred, and Stiletto is one of our foals," says breeder/owner, Shannon Langer. "She's by Sir Donnerhall out of a mare who was a wonderful producer for us—Britannia (Bordeaux/Weltmeyer). Stiletto is very rideable, level-headed and learns quickly, making her great for me as an older amateur rider. I want to take her as far as I can in dressage."

Talented for the FEI and eager to learn something new—that's what makes Brooklyn special, according to owner, Barrett Barksdale. "She's a true testament to the Hanoverian breed," says Barrett who is an amateur who also says one of Brooklyn's favorite things to do is attempting to swim in her water trough and dumping out all of the water.

WYLEIGH PRINCESS Weltmeyer-EM Heiress B/His Highness

"She's been a true partner from the beginning," says Ruth Shirkey, who has owned Wyleigh Princess since before she was born. Ruth, who is training at Grand Prix, says she'd "love to ride her in some CDIs and maybe even spend a season in Florida to see what we could do."

"This is the first year I'm eligible for Juniors, so my goals are to qualify for NAYC championships, compete again at the Festival of Champions and earn my Bronze Medal."

DUCATI Dancier-MS Li La Lu/ Londonderry

"Ducati is incredibly fun to ride and work with because he's totally tuned into me and I'm tuned into him," says Paige Zimmerman. "All I have to do is think about the transition or exercise I want to do, and he responds. It's like he can hear my thoughts! "Hallelujah loves to give hugs and does yoga in the cross ties," says owner, Caroline Moran-Sullivan. "She's fun to ride and train because her work ethic is solid. My goal is to show Prix St. Georges this year and wear a shadbelly for the very first time!"

RUBICO Rotspon-SPS Wiebella/ Wanderbursch II

"I'd like to qualify Rubico at Grand Prix for the Festival of Champions this year," says rider, Shannon Warner. "We competed there in 2019 and ended up ninth overall at Intermediate. He's the sweetest, kindest horse who tries his heart out for me. He just doesn't love standing still for awards!"

2021 Adequan/USDF Rhineland All-Breeds Awards

Mirroring the American Hanoverian Studbook system, the Rhineland Studbook offers awards in dressage, eventing, hunters, jumpers and sport horse breeding. The year 2006 marked the first time owners of Rhineland horses could enjoy the opportunity to compete in an awards program dedicated to the Rhineland breed. A complete listing and photos of the Rhineland Studbook year-end awards winners in dressage, eventing, hunters, jumpers and sport horse breeding are on the website at hanoverian.org.

ROWER BE Rubioso N-Apanatschi/Argwohn I

"He's a total ham and loves being the center of attention," says owner, Elizabeth Keadle. "He has an amazing work ethic and always tries. Now that he has retired, he has become the world's greatest trail horse. He spends his days on pasture with his best friend in the whole world. They're both happy and thoroughly enjoying retirement life."

FEELING HW

Feedback-Finesse/Ferragmo

Feeling is the most appropriate name, according to owner, Carol McPhee. "Fitz gives you that wow feeling each time you're on him, whether it's me or someone I treat to a ride. His soft back and eagerness to move forward and please are amazing." Carol wants to keep developing Fitz toward Grand Prix. "I enjoy each step, whether it's a high or a low."

2021 Materiale Awards

This award is for high-scoring horses competing in the USDF Materiale classes. The horses are ridden in groups and evaluated and scored for their gaits and conformation. Materiale classes are for young horses between the ages of three and five years old and are divided by age and sex. Sponsors of the award, Maurine (Mo) and Jim Swanson of Rolling Stone Farm, commissioned a beautiful painting that hangs in the Society office. In addition to the painting, each year the name of the winner is added to the base of the trophy and each winner receives a keepsake trophy.

DIAMONDS ARE FOREVER Diamond Hit-Milli Vanilli/Millennium
Bling is a social butterfly, according to owner, Rebecca Blake. "She has scored herself a stall right at the front of the barn, so she can soak up as much attention as possible. She's been known to wink at the crowd, as we ride by at clinics or shows. She's just a ham overall. She's so curious and confident, and always makes me laugh."

Sue holds a very special place in the heart of her breeder, Janice Marquardt, because she was "named in memory of a dear friend," explains owners, Natalie and Lynn Masin. "Sue exemplifies all the best qualities of her powerful lineage. She is resolutely bold and feminine, and already is an early matriarch of the herd of youngsters. We envision a bright future ahead of her in both performance and sport horse breeding."

VALENTINI ASH Vitalis-Kashmir R/De Niro

"Tini is one of the most personable foals I've ever been around," says owner, Victoria Barr. "He just loves and trusts people. One of my fondest memories is of him falling asleep with his muzzle on my chest—while he was standing up."

LORD LOUIE SDSF Louisville HTF-Orystal Cadence/Oredit Hilltop
 “Louie greatly enjoys the attention he gets when working on ground manners and socialization,” says owner, Carrie Leach. “He’s willing and very loyal. He always greets me with a nicker from across the pasture and even hesitates to go back to the pasture when it’s time for me to go home. No doubt, Louie will excel across the dressage and hunter/jump disciplines.”

DAISY MAE Diamondhead-Welinda/Werlindo

JESSICA FABRINI

FALVARA ASH Follow Me-Run Around Gal/Sword Dancer

EXPRESSO Expression-HPM Dora W/Don Index
 “Since the day he arrived in the US, Expresso has been a huge character. He’s sassy, cocky and loves everyone around him—whether it’s me, his buddies or the barn dogs and cats,” says owner, Courtney Vesel. “He loves to ‘help’ around the farm by bucking and leaping across the pasture, while following the tractor or when others are riding.”

DIAMONDS ARE FOREVER Diamond Hit-Milli Vanilli/Millennium
 “Bling’s confidence is unmatched by any horse I’ve had in the past,” says owner, Rebecca Blake. “Although she was only four years old when I imported her, she came to me ready to take on just about anything. She loves to work, hack on the trails, canter through the cross-country fields and go for a graze bareback. She’s so smart and sure of herself.”

HEIRABELLA Hotline-Rubina MWF/Rabino
 One thing she most appreciates about Heirabella is her confidence, explains owner, Danelle Sintori. “She’s not afraid to express her opinions or protect those she cares about—horse or human. She’s one of the most affectionate horses I have ever met.”

SHAWN MCMILLEN PHOTOGRAPHY

ESCOT 6 Escudo I-Leca/Le Primeur

Charlotte Powers is completely smitten with her horse, Escot 6, for many reasons, but especially his enthusiasm for his job. "I can clearly feel he's thrilled to be showing from the moment you get to the schooling area, bouncing around at the in-gate, to practically bursting with excitement when he hears the buzzer," she says. "He always, always gives 100%, and I trust him completely."

VIVA (VISBY R) Now or Never M-Revue d'Or/Argentinus

When Ashley Wallace purchased Viva, she didn't come with registration papers, but had a very faint brand on her left hip which identified her as Hanoverian. Through many correspondences with the German Verband, Ashley discovered her mare was Visby R: "I owe so many thanks to the German and American associations for being so wonderful and helpful!"

BALOUJOIE Bon Balou-Wynita/Wonderland

Baloujoie may be a stallion, but he's as well-behaved in public as any horse you could find. Owner, Stephanie Hill, plans to have professional rider, Sarah Mechlin Duhon, show him in the A-rated hunter division.

ANDREW BRBACK

VINTAGE BLACK (ZALINA) Zack-Homepage/Hochadel

Vintage Black was a young, green dressage horse in Germany and has transformed into a seven-year-old that's now being shown successfully in the 3'6" greens. "Who knew a daughter of Olympic Grand Prix dressage stallion, Blue Hors Zack, would make such a wonderful hunter?" asks rider, Matthew Jenkins. "With time and a great crew, all is possible."

LOT'S OF GOLD Liberty Gold-Forever A Memory/Wummestem

No matter when it is, Lot's of Gold is always glad to see you. "He's sweet and friendly," says owner, Melissa Burhenne. "His work ethic is what also makes him fun to ride and train. He's ready to work and wants to please. He loves horse shows—both showing off and just watching."

JULIA B PHOTOGRAPHY

VEYRON Valentino-Enni/Espri

Veyron, also known as Sweet Potato, is a positive and outgoing horse. Owner, Niki Zarcades, says he's sensitive but sane. Niki wants to keep learning and becoming a better hunter rider "for as long as we both enjoy it."

GOODFELLOW (SKYE) Gigong-Preciosa/Pascha

SHAWN MCMILLAN

FORMULA ONE For Romance I-Contessa/Contendro I
 “He tries so hard to please all the time and cares about what he’s doing,” says owner, Sara Roeser. “He gives me his whole heart in the show ring, but then we can go out for a nice trail ride and both relax. He’s a sensitive type, but as long as I’m patient, everything comes together.”

SONDER (SEKUNDANT) Sinatra Song-Chrysalis/Carismo
 “His sweet disposition and kindness make him very fun to ride and train,” says owner, Lyssette Williams. “He loves napping, cuddles and going on solo trail rides to look at all the other animals. He’s incredibly athletic, and I think he has a bright future as a 3’6” amateur owner hunter.”

FIG STREET’S DUCHESS (DUCHESS PRINCIPE)

Don Principe-Comtessa/Contender
 “Gracie is extremely brave and consistent. The scarier and bigger the jump, the happier she is,” says Cynthia Hallman, owner. “She’s a joy to show because you know she’s always going to jump—no matter what. With her huge stride, incredible athleticism and nimbleness, she takes the pressure off the rider to be perfect. We have a bond like no other.”

MONTEGO BAY WF Magic-Wellgunde/World Cup IV
 Amy Hughes, current trainer for Montego Bay WF and his former rider, says the horse is no stranger to the show ring, earning multiple Society wins. Her current rider, Sharon Angell, adds, “She definitely has a personality. She’s a bossy mare at times, but can be very gentle. When she’s at shows, she knows her job and does it well!”

SIRTIFIED KZ Sir Wanabi-A La Mode/Lintas
 “He’s really a big dog,” says owner, Katie Tatum Zuzelo. “He loves any and all attention. All you have to do is call him, and he’ll be over for scratches and treats in an instant. One of the most fun parts about him is he absolutely loves to show.”

SHANNON BRINKMAN

DOUBLE DIAMOND C Diacontinus-Lois Lane CBF/Le Primeur
 "Petey's personality is aloof, but then at times, he loves to play, such as in the FEI jogs," according to his owner, Laurie Cameron, but when it counts, he's "all business under tack."

SHANNON BRINKMAN

LANTHAN LIGHTS C Lanthan-Winter Morning/Ramiro's Bube
 "Sparky has a very outgoing personality—that's what makes him a barn favorite," says owner, Laurie Cameron. "He loves to 'talk' and interact with people."

SHANNON BRINKMAN

LITTLE MISS TENNESSEE (SUE C SUNSHINE Q)
 Soleil-Alandra Q /Anhaltiner E
 Owners of talented horses know they can sometimes have a mind of their own. Scott Keating explains his horse, Tenny, is exactly that: "When she feels like it, she can move beautifully in dressage, but you never know when she's going to feel like it!"

DRUMMER BOY Don Principe-Winterzauber/Winterprinz
 "Drummer Boy is a fabulous mover and gives his all at every ride and competition," says owner, Madeline Bletzaker. "He's been a national champion in the US Eventing Association several times and has won both a classic three-day event and the American Eventing Championships. He's a true competitor and always tries to please me."

2021 Gold Medal Foals

This Gold Medal program is offered by Hannoveraner International, the organization for Hanoverian societies outside of Germany. Foals with a dressage pedigree are judged on type, conformation, walk and trot and must receive a score of 8.0 or higher. Jumping-pedigree foals are judged on type, conformation and basic gaits and need to score 7.5 or higher. This is not a foal competition, nor is it automatically awarded to the top foal at the inspection. Instead, judges will internally score foals at the inspection to determine the top dressage and jumping foals but those scores will not be recorded.

Thank You!

The Board and office staff would like to say thank you to all our volunteers. The Society couldn't operate and be successful without the teamwork of our dedicated, talented and knowledgeable volunteers. We appreciate everyone's time and the sacrifices you've made over this past year and are very grateful to all of you!

Fabregas

Since making his Grand Prix debut in 2019, Fabregas has continued to impress in the dressage arena, even claiming the Region 2 championship title. He is a proven sire with two licensed sons, many Elite mares, and numerous award-winning foals to his name. He is known to produce high rideability and has sired top sport horses in both the dressage and hunter rings.

Stud fee: \$1,200.

KWPN-NA

Dannebrog was imported directly from Celle to stand in North America. He was selected and licensed by the Hanoverian Verband in Verden in 2009 as a 2.5 year old stallion and successfully completed his 300-Day Stallion Performance Test in 2010 at Adelheidsdorf with an impressive dressage index of 135.74. Individual scores highlight his fantastic mind and overall high quality; Walk 9, Trot 9, Character 9, Rideability 9, Canter 8, Temperament 8, Willingness to Work 8 and Constitution 8. His offspring reflect his high-quality movement and trademark friendly disposition. Dannebrog has produced two licensed sons, multiple State Premium daughters and many top level dressage competitors.

VILANCIO

VITALIS (VIVALDI) - PAVONA/LANCET

We are excited to present Vilancio for North American breeders. He has continued to impress since his 30-Day Test in Schliechkau, Germany, where his overall dressage score was 9.23. He scored 10 for walk, 9 for trot, 8.75 for canter, and 9.25 for rideability. He also scored 10 for Character. Vilancio has already sired three licensed sons and several States Premium mares and many registered sport horses in Europe.
