ONE SOCIETY, TWO REGISTRIES

THE AMERICAN HANOVERIAN SOCIETY

One Society - Two Registries

The American Hanoverian Society (AHS) promotes and supports breeders, riders, owners, and enthusiasts of the Hanoverian and Rhineland horses in the United States. Incorporated in 1978, the AHS has a long and distinguished history in this country. We are a daughter society to the Hanoverian Verband and closely follow their rules and standards to ensure full reciprocity for our horses around the globe.

The AHS is a member driven Society with a Board consisting of directors from around the country and we have 12 volunteer committees that assist different areas of the Society's work. It is due to the diversity & engagement of our members, volunteers, and Board working alongside our three full-time staff members that the American Hanoverian Society continues to innovate and evolve.

Educational activities have been an important part of the AHS since its inception and we're very excited to share the news that we now have a 501(c)3 in the American Hanoverian Society Foundation, Inc. This Foundation will now serve as the center for our educational events, our young breeder activities, and a scholarship program.

Our members compete at all levels from local competitions to FEI events, and we celebrate the success of our horses in all disciplines including dressage, hunters, jumpers, eventing, and even combined driving. At the heart of our Society are our breeder members and we have robust programs to support their breeding efforts and recognize the achievements of their horses.

Visit hanoverian.org for more information on the American Hanoverian Society.
