# PRESIDENT'S MESSAGE

From the

# PRESIDENT

As we embark on another exciting year, it's the perfect time to reflect on the progress we've made and look forward to the many opportunities ahead. This year's AHS Stallion Directory remains an invaluable resource for breeders, offering the best selection of Hanoverian and Rhineland stallions to help guide your breeding plans.

I want to extend my heartfelt appreciation to the breeders within our Society. Your commitment to producing top-quality sport horses is the driving force behind our continued success. Equally, I would like to thank the stallion owners who have activated their licensed or approved Hanoverian and Rhineland stallions with the AHS. This activation not only brings added value to mare owners, but also upholds the stringent health, performance and pedigree standards we expect. Be sure to check our online directory for updates throughout the year as new stallions are added.

While the Stallion Directory is a critical resource, our commitment to supporting breeders goes beyond providing top-tier stallions. Education and continuous learning are equally vital to the success of our breeders, and this year marks a significant advancement in this area with the launch of the **American Hanoverian Society Foundation** in the spring of 2024. The Foundation, our new 501(c)(3), is now the proud home of the AHS's educational programs—including our popular podcast series, in-person events like the Breed Orientation Course,

and a newly developed online library. Under the guidance of our dedicated Education Committee, the Foundation is already making a significant impact. With over \$50,000 raised and three scholarships awarded, we are charting an exciting path forward, bringing enhanced educational opportunities to our members. To learn more about these efforts, I invite you to explore **[ahs-foundation.org](https://ahs-foundation.org)**.

The continued growth and sustainability of the AHS would not be possible without the strength of our membership base. I encourage you to share your passion for our mission with fellow breeders, equestrians and sport horse enthusiasts. Whether through word of mouth, social media or simply inviting a friend to explore our offerings, each introduction strengthens our community and secures our future.

Finally, I want to acknowledge the tireless work of the AHS Editorial Committee and staff. Their efforts in producing this directory are evident in every detail, and I am deeply grateful for their dedication.

I look forward to sharing in the successes of the coming year, watching our community grow and witnessing the next generation of Hanoverian and Rhineland horses thrive under your dedication and care. 🐾

*Warm regards,*

*Natalie DiBerardinis*

# NASST SHOWS CONTINUED SUPPORT

*By Natalie Diberardinis*

Segreto 66 (Secret x Schilla B/ Stedinger) owned by Betsy Tyler and bred by Matthias Loecke.  
Photo by Stacy Lynne Photography

It was a slightly smaller number of participants than the past few years, but some fluctuation in numbers is expected, as it's unrealistic to expect 20+ stallions every year at the North American Stallion Sport Test (NASST). Our North American breeding programs just don't have the demand for that many new stallions each season. However, overall NASST remains very stable and shows continued support of the stallion owners and registries. Based on early conversations, the number of stallions is anticipated to be higher again in 2025. It's also worth noting that quite a few of the young dressage stallions are completing the second year of their sport requirements via the FEI Young Horse tests and U.S. Young Horse National Championships, instead of doing their second year of the sport test. It's good that both routes can provide options to stallion owners.

## Overall Participation by Year

Serupgaards Cezanne (Torveslettens Sylvester x Serupgaards Sangria/Romanov Blue Hors) owned by Richard and Linda Nickerson and bred by Heidi Bickham.

One of the clear benefits of the three-day stallion sport test format over the old 70- and 100-day format is the scoring is not based on a bell-curve and, therefore, is able to be used regardless of the number of participating stallions.

Testing locations will remain in Colora, Maryland (October 25-28) and Solvang, California (October 29-31) for 2025. To stay up-to-date on developments, follow the NASST Facebook page or [stallionsporttest.com](http://stallionsporttest.com).

The NA Stallion Sport Test LLC was initially created in cooperation between the American Hanoverian Society and the Oldenburg Horse Breeders Society with assistance from the Hanoverian Verband. It continues to be run on a volunteer basis with NASST committee members, including representatives from the AHS, GOV, HV and KWPN. Natalie DiBerardinis is the primary US-based contact for any NASST questions and can be reached at [stallionsporttest@gmail.com](mailto:stallionsporttest@gmail.com). 📧

# COMPETITION AND THE ACTIVE BREEDING STALLION

BY JOANNA GRAY-RANDLE

The immortal words of my Coach  
(and Three-Time Olympic Judge)  
***“If you are competing a breeding  
stallion, you better win.”***

No pressure at all.

External (and internal) pressure to win aside, there are many complexities to campaigning an up-and-coming or established breeding stallion. I waded into the morass with a weanling colt who I now compete in FEI dressage. Walking the breeding/competition tightrope has challenges and requires meticulous planning. (I also laugh at the ludicrous concept of “meticulous planning” with horses.)

Horses aren't simple under the best of conditions, but add in testosterone, and it's possible that attentions, and

intentions, will vary at times. The presence and spark that draws us to the innate beauty and ethereal nature of stallions can become an over-stimulated inferno, if not managed properly. The undeniable truth is the stallion factor can never be ignored or dismissed, when handling and competing an active breeding stallion.

When I met Royal Tourmalet SPF (Artie) as a foal, his proportions were so properly balanced and he had all the qualities I desired, so it made perfect sense to keep him intact. I had handled, trained and ridden stallions, so I wasn't apprehensive about owning and developing a stallion. Artie's mental and physical well-being were always at the forefront of my mind, and I was prepared to geld, if necessary.

The challenges of competing an active breeding stallion are many. My primary considerations include managing the collection schedule and maintaining Artie's comfort

and fitness. Because success in sport is an important factor for virtually all breeders, collecting a stallion with a busy competition calendar can be quite stress-inducing. Temperament changes may also occur, but I'm fortunate Artie is exceptionally well-mannered, and his temperament remains sweet and agreeable. I do worry about overtaxing him because, first and foremost, he's my partner. His temperament and tenacity are qualities that need to remain in the gene pool, but it's a true balancing act between competing and collecting.

As training and competition progressed to the FEI levels, I admit I've personally struggled with offering fresh-cooled semen, as collections would need to take place right in the heart of my competition schedule. Offering a service and then being unable to provide it (due to being away at competitions) has weighed heavily on me. As a result, I offer generous frozen-semen breeding contracts. I cannot deny this has cost me breedings, but it's one of many trials associated with standing a competition stallion.

This overlap also can affect performance, due to the physical toll collecting may take. The risk of injury has kept me from offering fresh-cooled semen in advance of an important competition to help ensure my stallion's comfort and soundness. I know I'm not alone in this, as I have shared this concern with other stallion owners. That said, it still bothers me to have to turn away a fresh-cooled contract when facing this timing dilemma.

Competitions bring their own special comedy or tragedy—take your pick. Show management has taken extremely good care of me, as they are not interested in any reportable instances to the national federations. However, while riding my stallion, I've been crushed against a wall, had a terrified rider glue her mare to my side when we were the only two in the warm-up, and had people move their horses into the empty, open slat-sided stalls I purposely planned around Artie or parked mares outside my stallion's stall to chit-chat with other competitors. In the episode where the separation stalls got used, I ended up with a stallion quite concerned about his new herd who wanted

to get back to the stabling as soon as possible. That made for an interesting, and not always successful, dressage test. Lesson learned: no more competitions with open-side, slat stalls.

Competitions are public affairs, and upset stallions draw attention. Understanding the stimuli that generates the tension and protecting against a repeat episode are part of the process. Artie is such a generous stallion—he lets me take him anywhere and do anything. He is serious about his stallion duties, and it's my responsibility to help him achieve a sense of calm along with his sense of duty.

Would I do it again? Absolutely. This journey has, and continues to be, a joy of a lifetime. While managing a breeding and competition schedule can be complicated, competing allows me to network with breeders and other stallion owners, and prospective breeders can meet and observe my stallion.

A stallion that excels in talent and temperament for both breeding and competition can leave a lasting legacy, and I hope we can make our way into that group. 🐾

# BIG NEWS FOR PONY BREEDERS

The American Hanoverian Society (AHS) announces the creation of the American Hanoverian Riding Pony Studbook, our third studbook, which now joins the Hanoverian and Rhineland studbooks under the AHS umbrella. This initiative reflects our commitment to meeting the evolving needs of our breeders and the industry, while maintaining the rigorous standards that have defined the AHS for decades.

In celebration of this expansion, we're unveiling our new graphic, which highlights the individual logos of the Hanoverian, Rhineland and Hanoverian Riding Pony Studbooks. This updated graphic represents our growth and dedication to supporting the diverse needs of the AHS community, while staying true to our legacy of quality and excellence.

For years, pony breeders have expressed interest in an AHS-managed registry for sport ponies. As demand for these versatile and elegant ponies and small horses grows, we are offering this new studbook to support the breeding and promotion of top-quality riding ponies in North America. These ponies are renowned for their suitability across a wide range of equestrian disciplines, and the American Hanoverian Riding Pony Studbook will uphold the same high standards of conformation, movement and temperament that have become synonymous with the AHS name.

## WHAT IS THE HANOVERIAN RIDING PONY

The Hanoverian Riding Pony combines the versatility, elegance and athleticism of larger Hanoverian horses in a refined, smaller package, making it ideally suited for youth, petite and amateur riders who are competing in the traditional sports of dressage, hunters, jumpers, eventing and driving. Typically standing between 138 cm and 148 cm (approximately 13.2 to 14.2h), these ponies possess the desirable traits of expressive and elastic movement, balanced conformation and a gentle and trustworthy temperament.

## ELIGIBILITY FOR BREEDING STOCK

The American Hanoverian Riding Pony Studbook is designed to be inclusive, while maintaining quality. Ponies already approved by recognized riding pony registries

may be eligible for automatic approval into this studbook, provided they meet pedigree, performance and DNA-verification requirements.

Breeders with ponies that meet the studbook's criteria will benefit from streamlined registration procedures and the AHS's excellent customer service. Owners may also present breeding stock for inspection during AHS inspection tours across the U.S.

## SPECIAL OPPORTUNITIES FOR 2025

In recognition of the studbook's launch, the AHS is offering several introductory incentives:

- **Auto-Approval for Approved Ponies:** Ponies previously approved by other recognized riding pony registries may be approved without additional inspection, contingent on meeting the studbook's pedigree and performance standards. This is the same process available for horses in our Rhineland Studbook.
- **Discounted Video Inspection Fees:** For 2025 only, the video inspection fee for Pony Mares will be reduced to \$100.
- **Waived Auto-Approval Fees:** For 2025 only, auto-approval fees for eligible ponies will be waived for current AHS members.
- **Waived "Foreign Sire/Inactive Sire" Fees:** For 2025 only, the foreign/inactive sire fees for eligible foals will be waived for current AHS members.
- **Stallion Activation:** Owners of approved stallions may activate them for the 2025 season and will be included in our **online Stallion Directory**. For 2026 and beyond, they will be eligible for inclusion in our annual, printed *Stallion Directory*.

## COLLABORATION AND GUIDANCE

This new studbook would not have been possible without the support of the Hannoveraner Verband and the Association of Pony and Small Horse Breeders Hannover. Their expertise and guidance have been instrumental in aligning the American Hanoverian Riding Pony Studbook with the highest standards of German Riding Pony breeding.

## JOIN THE FUTURE OF SPORT PONIES

Breeders, riders and equestrians are invited to explore the opportunities offered by this new program. Whether you're a long-time pony breeder or new to the world of sport ponies, the American Hanoverian Riding Pony Studbook provides a platform for growth and excellence.

The stage for the next chapter in the AHS's history is being set, creating new opportunities for breeders and promoting the incredible versatility of sport ponies in North America. Stay tuned for more details on inspections, registration options and events, as we continue developing this program! 🐾

# Sunday NRW

(SANDRO HIT X DONNERHALL DAUGHTER DONATELLA)

In 2009 Sunday's career began with the outstanding victory in the 70-day test Warendorf, final score of 132.38. He received an outstanding score of 9.5 for ride-ability, temperament and trot, a 9.25 for his canter and 9.0 for his character. At the age of four he secured the vice-title of the Westphalian champion and took part in the Federal Championship for the first time. In 2011, he was a finalist both in the Federal Championship and at the World Cup of five-year dressage horses. He repeated this at the age of six, winning bronze at the Federal Championship. He has recorded numerous victories and placements up to Grand Prix level over the years, as a result of which he was awarded the abbreviation "NRW" in sport.

His offspring have also had great success. In 2018 and 2019, his son SenSation FOD won the US championship of 5-and 6-year-old dressage horses. He has now moved to the riding of the Olympic rider Laura Graves and became another US champion under her in 2022. His licensed son Silverline, in 2017 was presented and was the Westphalian champion of the three-year-old riding horse stallions. In the meantime, Sunday also has 87 offspring with placings in sport up to the Grand Prix De Dressage International.

Five daughters of SUNDAY were awarded the state premium. Here in the states he has produced the top mare on the US tour as well as several talented dressage horses competing through the Grand Prix. His performance tested daughters have had above average jumps scores at their testing so we feel he will also produce some very nice jumping horses and we are excited to have him in the United States! He is fully approved and licensed Hanoverian and Westfalen NA. He will be standing in PA available fresh at Flying Change PHP, mention this ad for \$100 off his stud fee! 2025 stud fee \$1200 includes \$200 booking fee!

Apiro was the 2007 USDF Mid-States Region Champion Mature Stallion with scores to 87.4%. In 2008, he competed successfully in the regular working classes against the nation's top hunters. Apiro is a son of the legendary Argentinus, a successful advanced-level show jumper. Argentinus sired numerous approved sons, States Premium mares and became Germany's youngest millionaire, based on money won by his progeny. He was renowned for passing on his willing temperament to his offspring. Argentinus' sire, Argentan I, produced many approved sons and States Premium mares and was highly-regarded as a broodmare sire. From Argentinus' damsire, Duden II, come the dynamic movement and impulsion of Duellant. Apiro's dam, the States Premium mare, Pyrah, produced the States Premium mare, Airline; show jumpers Perle, Pandora and Power Girl; and Rocci Balboa, who has had success in young dressage horse classes. She also produced the approved stallion, River Phoenix, who won the Bavarian Championships and placed in the Bundeschampionat. Pyrah H is by the exceptional jumper sire, Pilot, the first show jumping stallion with progeny to earn DM1 million. Apiro's granddam, Ceda H, is by the Cyklon son, Cyrus. The Hanoverian-approved Trakehner, Cyklon, established a good jumper line and was regarded as a superior sport horse sire. Apiro is the sire of two approved stallions, Apiro's Boy and Appeal. His progeny are proving to be successful on the line as well as in the ring.

Beau Balou consistently stamps his offspring with a friendly, brave temperament. He throws his signature canter, size and athleticism, making him suitable for dressage, hunters and jumpers. He is a great cross for Thoroughbred mares. His dam, Iroise de Grandry, competed internationally at the 1.50m level at all the major European shows in France, Germany, Switzerland and Italy. She is 27-years-old and remains sound and rideable today. At the young age of 3, Beau Balou won his Canadian Warmblood licensing and finished as reserve champion against older stallions in his stallion performance test. He also finished second against the top 20 3-year-olds at the prestigious Lieutenant Governor's Cup at the Royal Agricultural Winter Fair in Toronto. He continued his winning ways as a 4-year-old, with several high placings in the hunter ring and ended the season with an excellent score of 8.29 at the North American Stallion Sport Test. He successfully completed his second NASST in 2021, obtaining lifetime breeding approvals. Beau Balou obtained high scores at his testing for scope, character, temperament, canter and rideability. His impressive lineage comes from world-renowned show jumping stallions—Baloubet du Rouet, Argentinus and Laudanum xx. Of the five top Canadian Warmblood Futurity winners in 2020, three were sired by Beau Balou. In 2021, he sired the Foal Futurity winner for Canadian Warmbloods. In 2023 Beau Balou sired several Gold Medal foals. He came in fourth in his first grand prix with two clear rounds. He is consistently jumping at the 1.30/1.40m level.

Beltano was licensed in Verden, and at his 30-day Test (Schlieckau, Germany), he earned impressive rideability scores of 10 from both test riders as well as 9.0 for temperament, 8.75 for canter and 8.5 for trot. With these scores, Beltano placed second in the dressage phase with a total of 145 points. Beltano won several young horse championships, including the young horse championship of Bärnau and received the Golden Knopf award. He qualified for the 2014 Bundeschampionat, thus becoming fully licensed by the Hanoverian Verband. His sire, Belissimo M, has had a successful career, earning Bundeschampion for dressage horses and placed fifth in the World Young Horse Breeding Championships. Beltano's dam, SPS Heavenly, is a daughter of the celebrated Trakehner, Hohenstein I, of the legendary Donnerhall bloodline. Beltano was imported to the U.S. and is being developed as an international Grand Prix prospect by three-time Olympian, Guenter Seidel. In 2019, the pair debuted at the Adequan Global Dressage Festival (AGDF 3) in Wellington, placing second at the CDI1\* Prix St. Georges with a 71.324%. Beltano returned to AGDF 5 and won the CDI1\* Prix St. Georges (72.892%). They also were successful at Intermediare II at the 2022 AGDF and placed third in the USDF Dressage Horse of the Year. Beltano's foals in Germany were very successful at foal shows. They're tall with modern type and beautiful gaits, showing much promise as future dressage prospects. Two sons are also in training with Seidel, Benson Boy and Bogart who is at FEI PSG.

An excellent cooled semen option for breeders seeking size, substance and trainability with an interesting blend of FEI lines from both German and Dutch breeding. At his Hanoverian licensing, Bingotti earned multiple scores of 8.0 with a highlight score of 9.0 for saddle position. Bingotti earned his lifetime approval with the AHS through his performance record. Bingotti has finished reserve champion at USDF Regionals for Second Level twice, was regional champion at Fourth Level, and has earned top ribbons at Regionals for Prix St. Georges and Intermediare. Bingotti has twice finished in the top ten at the US Dressage Finals. With his impressive stature and correct conformation, Bingotti was also the Dressage at Devon Stallion Champion and Reserve Grand Champion. Bingotti's sire, Bugatti, earned a score of 140 points in the dressage portion of his 100-day test, receiving scores of 9.0 on character, rideability, temperament and all three gaits. He competed at the Bundescampionat, FEI World Championships for Young Horses, and CDI competitions at Prix St. Georges and Intermediaire. His offspring are well regarded for their characters and rideability. Bingotti's dam, Wolkenfee, is by the Grand Prix stallion, Krack C, who had an exceptionally successful career at Grand Prix under Anky Van Grunsven, including a top ten finish at the World Equestrian Games, and went on to sire numerous licensed stallions and FEI competitors.

Descending from the ever-growing Bolero line, Black Tie shares a pedigree with greats such as Beauvalais, Brentina and Bonaparte, to name a few. His sire, Baroncelli, was the performance test winner in Münster Handorf, 2002 Best Stallion of the Year, fourth at the 2004 World Championships and is now consistently in the ribbons at Grand Prix. Black Tie's dam, SPS Regina by Raphael, was a successful jumper and is a member of the German Jumper Breeding Program. The influence of Ramiro contributes greatly to Raphael's prepotency for siring top horses of diverse abilities, including Ramina, Rockefeller, Raphaelo, Ravallo and Radiator. Raphael is also seen in many top hunter pedigrees in the damlines of approved stallions. Black Tie's first foals arrived in 2007, with his firstborn being named Top Colt at the Rolling Stone Farm AHS inspection, and a second colt repeating the honor in 2008. His first foal crop is now under saddle with son, Bugaboo TFH, pinning in the baby green divisions. In 2005, Black Tie successfully completed his performance test at Adelheidsdorf with 8.0s in character and jumping ability. In the U.S., Black Tie's first year as a hunter brought many successes with wins in the baby green divisions at HITS Ocala. He had an exceptional 2007-2008 season in Ocala, finishing up at the Spring Premier in Lexington, Virginia, competing in the pre-green hunters and consistently in the ribbons. His successes awarded him the American Hanoverian Society's Hunter of the Year award.

Bodo EDI is a black, 16.2h Hanoverian stallion combining Brentano, Floristan and Rubinstein. Bodo excels in all three gaits with superior elasticity. Bodo, reserve champion of his performance test, received subscores of all 8.0s and 8.5s and is fully approved. He is a genetic dressage powerhouse, an example of modern breeding type coupled with Grand Prix producing ancestors, the epitome of dressage performance breeding with a super type, wrapped in a glossy black coat. Bon Coeur was a premium stallion at his licensing, Vice Bundeschampion of the 3 year olds and winner of his performance test in Schlieckau. In his test, he was awarded a maximum score of 10 points several times. He achieved a score of 9.0 for rideability during several qualifiers for the Bundeschampionat. He was also the champion in Hanover and 4-year-old reserve Bundeschampion. It became clear during the Bundeschampionat how enormously powerful and, at the same time, light-footed this stallion is. He also has excellent tact and almost unlimited elasticity. Bodo's damline has some of the best foundation stallions, including Florestan and Rubinstein. His dam, Freya, produced only champions: her offspring are winning all over Germany. Bodo's half-sister, Lady Lissann S, won a mare show, was reserve champion in the mare performance test, got a States Premium, won several young horse classes in Germany and competed in the Bundeschampionat. Bodo has a strong crop of foals showing amazing quality and consistency.

Cabardino was the USEF leading hunter sire in 2017 and 2018 and has been in the USEF top five leading hunter sires from 2019 to 2024. Cabardino is a spectacular 4' hunter who combines scope, technique, temperament, beauty and movement in one complete package. Cabardino sired an approved stallion during his first year of breeding in Germany. He is known to produce beautiful, very flashy and refined foals with excellent movement and incredible technique over jumps. Cabardino's temperament is second to none, and his scope and technique over jumps are simply extraordinary. He has won many hack classes and produced several premium and champion foals during his first two years of breeding in North America. His offspring have won hunter breeding championships at Devon, Warrenton and Upperville. His offspring have been circuit champions including at WEF and HITS Ocala and have won top hunter derbies. Cabardino is the sire of countless A circuit champions and reserve champions in the U.S. and Canada. Cabardino produces tall, athletic foals with incredible technique over jumps and excellent movement. Cabardino continues to produce spectacular offspring to this date.

Candola is an imported Holsteiner, licensed in 2008, and appreciated at the stallion selection for his fine conformation, presence and good movement. With his superb canter, the stallion showed extreme balance, a very powerful jump and used his hind quarters very well. In his 70-day test in Munster Handorf, Candola showed his quality with a third place in class 1, with high notes for jumping and character. Competing up to 1.40m in Germany before his importation, he has been competing in North America up to 1.30m. His pedigree reads like the who's who in show jumping! Just about every sire in his pedigree competed up to 1.60m, and many in his damline also had exemplary jumping careers. Candola's sire is the world-famous stallion, Caruso. Caruso displayed his fantastic qualities, for example, in the German championships for young horses in Warendorf, earning a splendid third place in the finals of the 6-year-olds under Ulrich Kirchhoff in 2002. Caruso belongs to the most promising sporthorses of his generation. He has many placings in 1.50m and 1.60m classes and qualified for the Olympics in Qatar and Lummen. Caruso was at the Olympics as a team member for Saudi Arabia. With his superb temperament, outstanding jumping ability, form and can-do attitude, Candola D will make an exceptional cross for North American breeders.

This striking, modern stallion—a brilliant red chestnut with an elegant build—combines a superior work ethic with an exceptional temperament, making him a standout both at home and in the show ring. He carries enough blood and scope for the jumper ring, while his canter and easy confidence transfer to the hunter ring. As a talented 8-year-old, Copernicus WF stepped up to 1.40m successfully this past year. With his remarkable scope and powerful hind end—traits inherited from his distinguished maternal line, he's poised for continued development in top sport. He is a member of the AHS Jumper Breeding Program and claimed the Champion Jumper Stallion title at the 2022 North American Stallion Sport Test with a final score of 8.65. He received top scores of 9.0 for scope and 8.5 for canter, style, rideability and overall impression. Copernicus WF credentials are further bolstered by lifetime approvals with Hanoverian, GOV, Rhineland and Westfalen NA. Sire, Clinton I (Carolus I), boasts a remarkable 1.60m jumping career and accolades including victories in the Swedish Derby and the Grand Prix of Aachen. His dam, E.M. Flower Song, also part of the AHS Jumper Breeding Program, has produced numerous successful offspring, including Copernicus WF's half-sibling, Quintessential WF, who is actively competing at the 1.45m/FEI 2\* level. Watch for Copernicus WF next season as he continues his grand prix jumping career.

Cum Laude was bred on a limited basis in Europe, due to his show schedule. His offspring are definitely head-turners. Several daughters were awarded Elite status from the KWPN, and his son, No Worries SL, was selected for the KWPN stallion show. Daughter, Natilinda, was second in her regional KWPN Keuring, receiving an 80 on conformation and an 85 on movement. Next-A-Daisy, Ster, received her provisional Keur predicate, scoring 80 points on movement and 80 points on conformation at the KWPN Studbook/Star inspection. Kalista, Elite, won the IBOP in 2019. She received 9.0s for trot and rideability, 8.5 on dressage talent and 8.0s on canter, elasticity, posture and balance, for an 82.5 total score. Cum Laude's first North American foal, Rosa Cum Laude, was 2021 USDF Breeders Championships Western Series Foal Champion, earning an 82.412. His sire is Grand Prix superstar Apache, and his dam is Pacharel T. This damline is known for performance success. She had seven foals who competed in dressage, including two at Prix St. Georges and above. Cum Laude's performance achievements include first place, 78.60%, Small Tour MFS, Subtop Abcoude, NL, 2019; second place, 72.98%, CDI3\* Intermediare I MFS, Exloo, NL, 2019; fourth place, 68.61%, CDI3\* Intermediare I, Exloo, NL, 2019; and sixth place, 68.25%, CDI 1\* Intermediare I, Ermelo, NL, 2018. A 2023 black Hanoverian filly from owner/breeder, Sandy Toby (Cum Laude x Westernhaget x Matcho AA), was awarded AHS Top Foal Gold Medal.

Damsey FRH was a Premium stallion at the Hanoverian licensing in Verden, finishing his 30-day Test in Adelheidsdorf with the top rideability score of 9.25. He was Champion of the Danish stallion licensings in Herning (2006 and 2009). In 2006, he qualified for the Young Horse World Dressage Championships. After successes in the young horse dressage classes, Damsey was twice finalist of the Bundeschampionat, obtaining full HV approval. Damsey was part of the German Team at the 2008 World Breeding Dressage Championships. Shown by German Olympic rider Helen Langehanenberg, the pair earned top placings in CDI Grand Prix across Europe. In 2017, they secured a position on the German team for the European Championships. With scores in the 80s, they tied for sixth on the 2018 FEI World Individual Dressage Ranking list. In 2020, Damsey was the WBFSH No. 1 World Ranked Hanoverian and ninth on the dressage world list. Damsey retired from competition in early 2021. Langehanenberg is competing Damsey's daughter, Daniela 133 who debuted in international competition in 2023. Other successful offspring include Diana C (Brentano II) who went on to a Grand Prix career; Elmlohe mare show class winner and overall champion, Darling (Londonderry); Dalia—a perfect 10.00 for rideability in her Mare Performance Test; multiple licensed sons—Da Dalto, Dreamer and Dream Maker; and successful dressage U.S. competitors Duett L, Dublin L, Daniel L and Duchess L.

Dannebrog is sired by legendary dressage stallion, Don Schufro, out of the outstanding dam, St.Pr. Byzantina—a very strong dam line. Dannebrog has a super temperament, improves topline and rideability. His foals tend to bear his trademark friendly disposition and high-quality movement. Bred for dressage, Dannebrog’s well-rounded body type also produces a very pretty hunter-type horse when bred type to type. Dannebrog has produced licensed sons including Duran Duran (Florencio/Hohenstein), Diamant (x Fabriano) and ZFDP Premium Hengst Donaldson (x Worldly), plus States Premium daughters. His full sister, Diva Dannebrog, produced the Westphalian stallion licensing reserve champion. Dannebrog sired many AHS Gold Medal foals in 2023: Denali SDSF (out of a Rascalino/DeLaurentis mare), a USDF Horse of the Year–Current Year Filly Champion (84.40) who also won the USDF Traveling Trot Trophy, which recognizes the highest median score of all dressage sport horses. Dannebrog completed his 300-day stallion test at Adelheidsdorf in 2010, finishing third in dressage with an index of 135.74. His individual scores highlight his fantastic mind and overall high quality: 9.0s on walk, trot, character and rideability, 8.0s on canter, temperament, willingness to work and constitution. His test rider marks were equally good with no score under 8.0, including jumping course canter 8.0. This 300-day test highlighted his extraordinary character, fantastic rideability, and three supple and elastic gaits. Dannebrog was ranked the No. 2 USEF Dressage Breeding Sire for 2023, his first year of being recorded.

Dante MG is a modern, black stallion with unlimited jumping ability, power and scope. He jumps with style and scope—easily clearing 1.40m at his stallion testing. His gaits are big, powerful, fluid and elastic. His character is easy and trainable. He's passing these traits to his offspring who are proving themselves in the show ring and inspections. Jazmin CF is a two-time First Premium KWPN-NA jumper foal/yearling and placed fourth in the nation. Kalypso MG placed fourth for USDF Horse of the Year, won first place colt with 82.325%, and now is cleaning up in the dressage ring with his adult amateur rider. Kaiser Killian was 1.10m reserve champion at Equestrian Sport Productions. Justina was reserve champion Training Level, 4-year-old under saddle and materiale at Raleigh Summer Dressage. My Goodness Gracious/OMG placed fourth out of 20 at the East Coast Futurity Event Horse Championships, scoring 8.0+. Dante's sire is the famous Chin Chin who won five consecutive times in the North American League on the World Cup circuit and competed twice in the Olympic Games. His damline is the famous NL#15 Ritta mareline. His granddam, Jorfa, had the incredible high IBOP riding test score of 90! From this damline comes many approved stallions including Lowlands, Veritas 17, My Favorite, Fellinni, New Kid in Town, Triton, Zadok, Nochris, Soprano K, Demokrat, Akteur, Zenner, Sportman, Theobalo and Zandor. Dante MG, a New England Dressage Association futurity stallion, offers trainability with jumping lines that also are fantastic for dressage or eventing.

A pedigree aimed for the upper levels, three high-quality paces and a superb character, make Denmark a top young stallion. Denmark's first competition season in 2023 included a trip to the US Young Horse Championships, a 4th place ranking nationally for USEF 4-year-olds, and earning highlight scores of 8.0 for walk and rideability at his Stallion Sport Test. Denmark easily stepped up to the FEI 5-year-old classes in 2024, earning an 8th place finish at the US Young Horse Championships and scored easily in the 70s in all First Level tests. Denmark's sire, Desperado, was successful from the FEI Young Horse tests to Grand Prix CDIs with scores as high as 85%. Desperado has made a significant mark as a sire, with many approved sons and multiple FEI competitors to his credit. Denmark's dam, Uforia, was a successful Grand Prix horse and an exceptional producer including the approved stallion Louisville, a Premium daughter, and her oldest offspring is winning at the FEI levels. Damsire, Negro, is one of the most proven sires for his record of Grand Prix offspring. The arrival of Denmark's first foals in 2024 showed the quality of his foals from a diverse selection of pedigrees and types. The elasticity and quality of gaits is excellent, and the type shows an influence of the Vivaldi blood on his sire's side. Denmark has multiple AHS Gold Medal foals already to his credit, and breeders have given excellent feedback on his offspring.

Der Blitz KS offers a pedigree aimed for the upper dressage levels with three equally extraordinary gaits. He has a powerful and dynamic trot, a wonderful, uphill canter and a large, rhythmical, ground-covering walk. His trainability is super with an eager-to-please attitude, and he's sweet with a temperament everyone desires. Der Blitz KS's sire, Dancier, was the 2004 champion stallion at the Hanoverian licensing in Verden, became the 2005 stallion performance test winner in Adelheidsdorf, was the 2006 Hanoverian vice champion of young riding horses, as well as bronze medalist in the class for 4-year-old stallions at the Bundeschampionat in Warendorf. His offspring collect ribbons in the dressage arena up to Grand Prix level. With 46 approved sons, he is a legend in his own right. His dam was the top 3-year-old filly in the USDF. She was ridden and trained by an amateur adult. She qualified and was invited to the Festival of Champions as a 4-year-old. She had many wonderful foals with talent in the dressage ring and hunters. Her first foal competed at the US Dressage Finals with an adult amateur rider. Der Blitz KS is showing great talent and rideability to make his debut in the spring of 2025.

Now beginning his Grand Prix career, Diesel CF is a talented Hanoverian stallion, successfully trained and competed from Training Level to Grand Prix by amateur owner/rider Kasey Cannon. Diesel is a full brother to Damsey FRH, ranked up to fourth in the FEI Dressage World Rankings under rider, Helen Langehanenberg. In addition, dam, Ria Grande, also produced international Grand Prix mare, Daianira van de Helle. In 2013, Ria Grande was awarded the prestigious Hanoverian Mare of the Year title, one of five dressage mares ever to receive this coveted award from the Hanoverian Verband. Diesel's quality, temperament, work ethic and rideability have proven to be exceptional. Diesel has been highly competitive in sport with highlights including reserve champion USDF Horse of the Year at Second Level (median 73.485%) in 2017 and Fourth Level (median 72.389%) in 2018. In 2019, he earned scores to 74.5% at Prix St. Georges. In 2020, he made his CDI debut in the small tour, breaking the 70% barrier. In 2021, to help prepare for the big tour, Diesel and Kasey traveled to Germany for two months of training with Helen Langehanenberg. In 2022, Diesel showed at Intermediare II, and in 2023 he successfully debuted at Grand Prix. Diesel has produced Premium, Elite, Gold Medal and top inspection foals. He stamps his foals with beautiful heads and ideal neck sets, consistently improves walk and canter, maintains or adds bone, and throws a big, kind eye and a curious, confident, human-oriented temperament.

Don Principe competed at the FEI levels with seven different riders over 10 years. That soundness, adaptability and heart are truly unique. Don Principe won multiple USDF regional championships, many USDF All-Breeds Awards, and competed at both the USDF and USEF national championships. In 2017, he won the USEF Bretina Cup U-25 Grand Prix championship. Don Principe is the grandsire of Serenade MF, the first American-bred warmblood to represent the U.S. internationally at the Nations Cup and placed ninth at the 2023 World Cup. Don Principe's sire, Donnerhall, was an international Grand Prix star and on the medal-winning German teams at the World Equestrian Games and European Championships. Donnerhall's influence on dressage breeding is undeniable. At the 2106 Olympic Games, more than 31% of the dressage horses carried Donnerhall blood. Don Principe has sired elite/premium mares, licensed stallions, USDF Horse of the Year winners and U.S. national champions. He was the USEF Dressage Breeding Sire of the Year in 2013 and has sired a grand champion at Dressage at Devon. Rideability, work ethic and an outstanding walk are trademarks that Don Principe passes to his offspring. His offspring are smart, show a talent for the collected work and are easily developed by amateurs or professionals.

Donarweiss is a homozygous black, 16h, American-bred Hanoverian. He was champion of his 30-day stallion test with an overall score of 8.33. His versatility was showcased with individual scores of 9.0 for rideability and jumping technique. Donarweiss possesses an extensive show record both internationally and nationally at Grand Prix. Donarweiss and Genay Vaughn competed at the U.S. National Championships in 2011 where they finished third. Later that season, they won the Team Silver Medal at the NAYRC. In 2013, he was the Brentina Cup Reserve National Champion and won at the Region 7 USDF championships in California at Intermediaire II-Junior/Young Rider. Donarweiss possesses the rare combination of international quality, paired with amazing character, which has allowed him to compete all over the world and be selected to represent the U.S. on countless Nations Cups at the U25 Grand Prix. Although he oozes with athleticism, his rideability has allowed him to be ridden by a petite teenager—a quality he has certainly passed down to his offspring, making him the perfect selection. Many of his offspring have reached top sport in hunters, jumpers, eventing and dressage. His oldest offspring are now competing at the FEI level, including Grand Prix, and his youngest are consistently winning at the most prestigious national breed shows, and receiving the Gold Medal foal award and many futurity champions at inspections.

Black, 17.1h Hanoverian stallion, Dubarry, was licensed in Verden in 2011 and 70-day tested at Adelheidsdorf in 2013. He placed fourth in dressage with a score of 138. Highlights from his test were: trot 8.5, gallop 8.5 and rideability 8.5. Dubarry is a modern stallion with enormous freedom in his shoulders and a powerful hind leg. He is straightforward in his character and temperament, making him easy to ride. His sire, Don Frederico, also jet black and of modern type, was named Hanoverian Stallion of the Year by the German Verband. Dubarry's dam, Ribana, is by the famous stallion, Rubinstein, who is also known for exceptional temperament and rideability. Two Dubarry sons were chosen for the Stallion Pre-Selection in Germany. His daughter, Hann. Pr. A. Dayna (Dubarry/Weltmeyer), qualified for the prestigious Herwart von der Decken Mare Show. Offspring are showing and in the ribbons. Dubarry foals were noted to be very typey and elegant with three excellent gaits. Won Cosmo's filly, Dumark Augustina, owned and bred by Marcie Scheskie, won a Gold Medal foal award at her Hanoverian inspection. The 2020-2024 tours saw top inspection foals by Dubarry, numerous Gold Medals and several futurity winners. Der Fiete is now competing and placing at Grand Prix. Denali, a successful 3\* eventer in Ireland, made the cover of *Irish Horse World*. Dubarry has proven to be a consistent producer of well performing, leggy types, with three outstanding gaits and a golden character. Fresh available any day.

Dumont is a bright bay stallion with lots of chrome that he reliably passes to his offspring. He is by the proven dressage sire, Diamont, who was ranked first as the leading producer of USDF Horse of the Year qualifiers in 1994, 1996 and 1997. Dumont won the yearling classes at Osierlea and the West Coast Classic, where he was named Champion Junior Stallion. He repeated these wins as a 2- and 3- year old, earning the title Champion Stallion at the West Coast Sporthorse Classic (WCSC). As a 4-year-old, Dumont won the Mature Horse Championship at the WCSC and the Northern California USDF Mature Horse Championship in 1998. Dumont's full sister, Donna Marie, won consistently at Intermediare dressage classes in Germany, with scores in the high 70s and 80s. She was Reserve Champion at the 2003 Intermediare Championship in Hanover. Dumont was successfully shown in the dressage ring, winning a number of classes with scores in the 70s. Dumont was also shown briefly in the hunter ring on the "A" circuit, with placings in some very large classes, showing beautiful classic hunter form over fences. Dumont's offspring have excelled in the dressage ring with numerous wins at recognized competitions, winning numerous high score awards, placings at regional championships and year-end breed award placings. His offspring have proven to be very competitive for both professional and amateur riders. He has also had several daughters approved for breeding and performance tested, winning high score awards for rideability and jumping. Dumont crosses very well with Thoroughbred, as well as warmblood mares. He passes his wonderful disposition, high rideability and excellent work ethic to his offspring.

Keystone Farms is excited to offer Ebony MSF (Loro Piana Ebony MSF) to breeders in both Canada and the US! This sporty stallion had a successful career competing in grand prix jumping with his amateur owner in both national and international competitions up to 1.55m. A son of the 1.60m stallion, Warrant (sire of Bezie Madden's top horse, Garant) and grandson of the mighty Numero Uno, Ebony is a rare maternal grandson of the historic stallion Jasper, who, as Little One, competed with Hugo Simon to the highest level of the sport. He is especially interesting for Holsteiner-bred mares who possess a high concentration of Capitol and Corde blood—you do not find any C-line breeding in his pedigree until Calando I in the seventh generation, which means this rare stallion has exactly one cross to Cor de la Bryere and no Capitol. He is a compact, modern-type stallion with sharp reflexes, a great mind and big heart. Ebony is also drop-dead gorgeous and an incredible mover with a flat kneed trot and lofty ground-covering canter, making him a great stallion to use on both hunter and jumper mares. He's a very sweet and laid-back stallion, and we feel incredibly lucky to have him in our barn. Ebony is available by the dose, as well as with a two-year live foal guarantee, and available to breeders seven days a week from April 1 to Oct. 1 with no show schedule impacting his availability.

Epic Eastwood is an exceptional 2017 stallion licensed with GOV, AHS and Westfalen, proudly standing at Foxworth Farm in Kentucky. Sired by the highly sought-after Escolar (Estobar) and bred by Christine Arns-Krogmann of Germany—renowned for breeding champions like Total Hope OLD and Viva Gold, Epic Eastwood boasts an impressive lineage. He is out of the influential mare, VPS/El Grosse Diva (De Niro/Sandro Hit/Rubinstein I/Grundstein), inheriting the prestigious Oldenburg Grosse Liebe damline. His pedigree is a perfect blend of modern refinement and traditional excellence in dressage breeding, featuring multiple Grand Prix stallions on both sides. Epic Eastwood brings the esteemed E line to North America, offering a remarkable combination of rideability and talent as a fresh-cooled breeding option. His pedigree is reflected in his outstanding presence, three quality gaits, elasticity and uphill tendency. He has successfully bred mares from various registries, producing consistent foals known for their attractive heads and necks, long legs, light to medium frames, and excellent movement, especially in the canter. Epic Eastwood's first crop of foals is now under saddle, demonstrating easy and willing temperaments, making him a standout choice for breeders looking to produce top-quality dressage prospects.

Eskardo is a bright red chestnut stallion by Escudo I out of a Lauries Crusador xx dam. Both of these sires have produced numerous licensed sons and are some of the most sought-after bloodlines in German Hanoverian breeding. Eskardo's pedigree is a wonderful combination of athleticism from his jumper bloodlines, along with the refinement, elegance and beautiful gaits from his dressage bloodlines. He has a wonderfully kind temperament and work ethic, which he passes to his offspring. His offspring have been exceptionally easy to work with and have proven to be steady competitors as well. Several of Eskardo's U.S. offspring have been shown in the dressage ring, with numerous wins and placings through USDF Fourth Level and a number of placings in the USDF regional championships including an invitation to compete at the USDF National Finals for his son, Eclipse HM. Eskardo's daughter, Eloquence M, earned her performance scores at Third Level in 2019 to receive her Premium mare status. In 2013, an Eskardo daughter in Germany produced the champion colt at the 2013 German Foal Championships. In 2014, another of Eskardo's daughters in Germany produced the top-selling horse in the Oldenburg Summer Auction. In 2015, an Eskardo grandson, produced by one of his daughters in Germany, was licensed by the German Oldenburg Verband as a Premium stallion and was named reserve champion of the licensing in Germany.

An Olympic medalist who has sired offspring competing at the highest levels, Everdale was champion of his Stallion Test, winner of the PAVO Cup Finals and winning Grand Prix by the age of 10. The unforgettable 2021 show season earned Everdale a Bronze Team medal at the Tokyo Olympics and a Silver Team medal and individual fifth place finish at the European Championships. Everdale continues to impress with top CDI placings internationally including Nations Cup, World Cup Final, and Olympic qualification competitions. Everdale's sire, Lord Leatherdale, is an FEI horse who is well regarded for rideability and character. His offspring have competed at the PAVO Cup Finals, World Championships for Young Horses, and the FEI arena around the world. Everdale's damline is particularly strong; the mares have been highly decorated, including Everdale's great-granddam who is a full-sister to the approved stallion, Havidoff. Grandsire, Negro, has become a legend as a sire of Grand Prix horses including Olympic and World Champion Valegro. Everdale's offspring continue to showcase their talent for top sport and are highly placed in prestigious competitions including qualifying for the PAVO Cup, USEF Young Horse Championships, the World Championships for Young Horses, and the FEI World Championships. In North America, Everdale offspring are winning USDF Regional and Breeder Series Championships. In 2024, the Everdale offspring, Grover and Inxs, took the top two placings at the prestigious Dressage at Devon CDI3\*. Everdale stamps offspring with his neck, uphill balance, mechanics, and excellent canter on his offspring.

The immensely charming Fabregas has produced many inspection and show champions in Germany, Great Britain, Canada and the United States. He consistently passes on correctness, typey looks, elasticity, and beautiful gaits. Fabregas's pedigree speaks for itself. His sire, Florencio I, is undoubtedly one of the most interesting dressage sires on the European stage; damsire ,De Niro, was a successful Grand Prix stallion and has been repeatedly ranked No. 1 in the WBFSH Dressage Sire Rankings. Fabregas himself has shown his value as a highly successful sport horse, winning at CDIs and small tour championships with scores in the 70s. His Grand Prix career began in 2019 in Canada and continued following his move to the U.S., where he has had multiple Grand Prix wins including the Region 2 Open Championship in 2021. While he is decidedly dressage bred, Fabregas loves to jump and possesses the necessary qualities for a hunter stallion as well. His offspring have excelled in North America, both in dressage and hunter rings. Notable offspring include Foo Fighter QC, Dressage at Devon champion foal 2021, and Felix, who returned from Dressage at Devon with top placings and scores in the 70s in 2023. Fabregas's correctness, elegance, rideability, and exceptional walk and canter make him a dressage stallion of a special class.

Fairbanks, fully approved by AHS and HV in 2023, was champion of the 2009 Oldenburg Stallion Licensing in Vechta, Germany. He became the crowd favorite with his spectacular performance, extravagant gaits, impressive jumping ability and willing temperament. Fairbanks completed his 30-day Test, placing third of 49 stallions with an overall score of 8.74. He repeated this success in 2011 at his 70-day Test as the only stallion to score over 100 in both jumping and dressage. His sire Flemmingh, a successful dressage stallion in the Netherlands, sired international dressage horses, Krack C and Lingh. Fairbanks' dam, SPS Identify, was highly praised at her mare performance test. Damsire Inselfürst won his stallion test and successfully showed in Advanced Level dressage. In 2011, Fairbanks' first foal crop in German represented himself: large, expressive foals with long lines, beautiful heads and necks, and outstanding movement. Fairbanks was awarded Premium due to his exceptional stallion test results, impressive foals and overall development as a top breeding stallion. This was remarkable as he was not breeding in the main Oldenburg region and had to stand up to strong competition for this award. He has sired many Elite/Premium foals: Flair Royal was twice French Young Horse Champion and hunter Fairly Luminescent was a Premium foal and site champion of a large Westfalen inspection. Imported to the U.S. in 2017, Fairbanks has rejuvenated interest in breeding versatile sport horses, producing a modern type and wonderful temperament for dressage, hunter and eventing.

FCF Oberons Vanity is an Arabian stallion, purposefully bred for sport horse traits. His pedigree is packed with old-fashioned CMK lineages known for producing athletic horses with high rideability, longevity and soundness. FCF Oberons Vanity is the highest scoring and highest placing Arabian-bred stallion to have ever completed the North American 70-day Stallion Performance Test where, as the only non-warmblood, he placed fifth out of 14. The German training director awarded FCF Oberons Vanity excellent scores including a 10 for character, 9.5 for constitution, 9.0s for willingness and rideability, 8.5s for cross country gallop and cross country jumping technique, and 8.0 for trot. He has competed successfully through Intermediare II at USDF shows in the open division in the highly competitive USDF Region 8 and was the Arabian 2020 USDF All-Breed Open Champion for Intermediare I. He was the reserve champion stallion on the American Trakehner Association's 2021 inspection tour. His rideability is further demonstrated through serving as a schoolmaster for students learning upper-level movements and competing one season with a young rider. FCF Oberons Vanity is siring foals with strong, balanced feet, good bone and substance, elastic gaits, classic elegance, exemplary character and willingness. He is heterozygous for gray and has sired chestnuts and bays. FCF Oberons Vanity is tested clear for SCID, CA, LFS, OAAM and FFS.

Feinrich's breeding is very special. His sire—Fürst Heinrich, the paternal line of the great Furioso II—is combined with that of probably the most important mare in modern Oldenburg breeding history: El.St. Gesina. Feinrich was the glowing winner of his 2015 licensing, completing his stallion performance test with flying colors. In 2018, he won young horse dressage competitions of his age group, qualified for the German championships, has achieved top placings in Intermediare (M\*\*) dressage competitions with Brandi Roenick/USA and has been trained to a high level. He is the sire of the 2021 Oldenburg champion and regional champion mare, Faraglioni OLD. Numerous youngsters from his first generations of foals recorded victories and placings in young horse competitions. Feinrich has six licensed sons to date. His sire, Fürst Heinrich, was champion stallion in 2001, winner of the main premium in 2002, World Champion of 5-year-old dressage horses in 2003 and has produced over 50 licensed stallions, including Fürstenball—licensing and main premium champion, German champion and elite sire, as well as his neighbor at Pangaea Farm—Fürst Romancier, a main premium winner. His dam, El.St. Gesina, produced the licensed sons: For Romance I OLD, For Romance II, For Romance III, Feinrich, Despacito, Don Romance, Face Time PS, Forever Romance, Fürst Donnerhall PS and Viva Romance PS. Fidelis QC (Feinrich x Scolari x Weltmeyer), bred by Quantico Sporthorses, is a recipient of one of the 2023 Born in the USA awards and was crowned Dressage at Devon Foal Champion.

Finest Selection OLD won his 2017 stallion performance test in Adelheidsdorf for dressage (9.29), as well as his 2019 stallion sport test held in Verden (8.48). He was the Bundeschampion and Oldenburg State Champion of the 3-year-old stallions in 2017. He competed successfully as a young horse in the 4-, 5- and 6-year-old classes and is now winning at FEI levels. As a sire, he was the 2018 Oldenburg Main Premium 1b winner, which is based on achievements in sport, performance test results and quality of offspring. With just three small crops, he was ranked in the top 1% of young horse sires by the German Equestrian Federation (FN) in 2023. Finest Selection is sired by the champion stallion, Follow Me OLD (Fürstenball), and is from the Aricia dam line, which has produced more than 40 licensed stallions. His dam, St.Pr. Laetizia, is a full sister to the licensed stallion, TC Lexus RDH, and to international FEI horse, Laudon. His granddam is a full sister to the British champion stallion and performance test winner, Dubloon, and is a half-sister to the licensed Lago Casablanca. Finest Selection's half-sister is Elite/St.Pr. Floris Laetizia (Floriscount), who is the dam of Helgstrand stallion, Value (Valverde).

First Dance was acclaimed at his 2006 Hanoverian licensing in Verden because of perfectly cadenced rhythm and powerful movement. He placed in the 2009 Bundeschampionat for young dressage horses and won many young horse dressage classes, then competing successfully at Prix St. Georges. He earned Elite stallion status based on his 30-day Test scores (walk 9.0, rideability 8.75 and 8.5 character, constitution, trot and canter), combined with his high placing at the Bundeschampionat. His sire, Florestan I, produced 70+ licensed sons and 180+ States Premium mares, including Floriano, ridden to a U.S. bronze medal with Steffen Peters. First Dance's dam, SPS Dorina, won the 1A prize from 2003-2006 at the Aurich-Tannenhausen mare show. She also produced a second licensed stallion—a full brother to First Dance. Damsire, Donnerhall, is a legend: twice World Champion in dressage, producing 100+ licensed sons and many successful offspring. With an FN dressage breeding evaluation score of 140 points, First Dance has produced Verden auction foals and riding horses, States Premium mares and three licensed sons: First Flush, First Duke and First Diamond. Fleur de Lis L won at Grand Prix, was on the 2022 Canadian Team at the Adequan Global Dressage Festival and was USDF Champion All Breed AHS (Inter. II). Others include Foxey Lady L, First Song KF and Fighting Chance L. First Crusader won at the 2020 USDF Breeders Championship, Foreign Prince HU was a breed show yearling champion and Flash Point HU has won Materiale and USDF Dressage Prospect championships.

Fiti's desire to perform, compact size and talent for collection, has allowed his amateur rider to easily develop him up the levels, consistently earning All-Breeds awards in both the Adult Amateur and Open divisions from Prix St. Georges through Grand Prix and successfully competing at the CDI level. At the 2021 US Dressage Finals, Fiti earned third and fourth place in the Grand Prix Freestyle AA Championship and Grand Prix AA Championship, respectively. At 20-years-old, Fiti made a clean sweep of the Region 3 Grand Prix AA and Grand Prix Freestyle Championship. A true testament to the breed's longevity and soundness, Fiti seems to keep getting better with time! Fiti AL has a natural talent for the collected work with piaffe, passage and pirouettes seeming like a game for him. His compact size combined with elastic and supple movement give his rider a very good feeling. Fiti is intelligent, sensible and an absolute pleasure to work around. Fiti AL is approved for breeding with the ANCCE and IALHA, and due to his competition record and quality, he became the first PRE to be approved by the Oldenburg Verband and the American Rhineland Studbook. His oldest offspring are now undersaddle and are showing their sire's intelligence and trainability. The PRE x warmblood crosses continue gaining interest around the globe, and Fiti appeals to both Iberian and warmblood breeders seeking an outcross for their breeding programs. A limited amount of frozen semen is available.

Blue Hors Florent cleared the table at the 3-year-old championship at the Landgest Marbach Dressage Festival in 2021, where he won with a final score of 8.3. Florent was the reserve champion stallion at the 50-day test in Adelheidsdorf, achieving very good grades, especially for rideability and willingness to perform, canter and overall impression—all qualities rooted in his bloodlines, just as the good show jumping blood is. Florent's 8.5 for jumping makes him a good option for adding jump to your dressage horse! He is a stallion that develops positively and with lots of potential for the future. His sire, Floriscout, was the 2008 winner of the 70-day test in Schlickau with a dressage index of 147.49, where he achieved the following grades: 8.0 walk, 9.0 trot, 9.75 canter, 8.5 (test rider 10) riding ability and 9.0 capacity. Floriscout qualified both in 2010 and 2011 for the Bundeschampionat for 5- and 6-year-old dressage horses in Warendorf. The damsire is Desperados who, for a number of years, has been one of the world's most winning dressage stallions. With rider Kristina Bröring-Sprehe, the stallion has been part of the German national team and helped win team silver at the 2012 Olympics, team gold at WEG 2014 and team gold at the 2016 Olympics, where he also became an individual bronze medalist.

Frisantos brings a fresh pedigree, modern type and excellent potential for sport. Frisantos was licensed in Germany and completed his 14-day test earning 9.0s for his character and work ethic. Now home at Hillock after training with Michael Bragdell, Frisantos showed in the FEI 5-year-old classes and was the named alternate for the 2019 USEF Young Horse Championships. His scores at First Level have been as high as 73.8%, and he has wonderful trainability. Frisantos' sire, Franziskus, is currently competing at Grand Prix with Ingrid Klimke and descends from an established line of Grand Prix horses. His dam adds depth and versatility. She is already the granddam to two approved stallions, and her sire, Espri, was the 1995 Hanoverian Stallion of the Year who has sired Olympic competitors in both show jumping and dressage.

This charming, black stallion is the perfect fit for breeders seeking a beautiful modern type, light-footed movement, and excellent trainability. Bred in the US by Avalon Farm, Fürst was exported to Germany as a young prospect and completed his 50-day test where he earned highlight scores of 9.0 for character and 8.5 for his willingness to work. Upon returning to the US, Fürst was paired with Jannike Gray for a memorable 2022 show season earning sixth in the USDF Region 8 Fourth Level Championship and capturing the Stallion Championship for the USDFBC New England Series Finals with a score over 80%. Partnered with Brittany Stanley in 2024, Fürst brought home top ribbons at Fourth Level and Prix St. Georges. Fürst's sire, Fürstenball, is for the excellent type, rideability and outstanding walk that he gives his offspring. Fürstenball has more than 90 approved sons and is currently ranked 14th on the WBFSh Dressage Sire rankings. Fürst's dam, Etched in Black, has been exceptionally successful showing in-hand, earning the title of USDF Dressage Sport Horse Breeding 4-Year-Old and Older Broodmare Horse of the Year and USDF North East Series Mare Champion in 2023. Her sire, Gribaldi, was a Grand Prix competitor who has also proven himself as a sire of top International competitors, including the legendary Totilas. From Fürst Gribaldi's early foal crops, we have already seen Premium Foals and four USDF Breeders Championship Series Reserve Champions. He consistently stamps his beautiful type, refinement and kind character.

Galaxy Coeur is a U.S.-born stallion with great aptitude for training, competitions and top sport. He is a 2022 stallion test winner with an 8.8, the highest score in North America for not only dressage but all stallions. Galaxy Coeur received almost all 9.0s, including a 9.0 from the test rider. In the 4-year-old qualifiers, he earned 81%+ at his first qualifier and an 84%+ at his second qualifier under an Olympic-level, 5\* judge. He earned an 82.6% his first time competing in the 5-year-old final test in 2023 and 81.8% in the FEI USEF/WBC qualifier. He was invited to nationals in 2023 and will be trained up to FEI. He is the last foal out of SPS/El Royal Coeur, a mare who competed at the World Young Horse Championships and up to Grand Prix. Galaxy Coeur has a high concentration of Elite mares in his pedigree, showing the strength of his maternal lines. His sire is the proven stallion, Grand Galaxy Win, who produced (among other top horses), the 6-year-old world champion, Global Player. His older brother competed at Grand Prix from 9 years old; his 7-year-old brother is already showing at Prix St. Georges; his only sister, a premium mare, was nationally ranked as a 4- and 5-year-old, schooled Third Level, produced a stallion prospect, and now has had two wonderful elite fillies. First foals are wonderful and being stamped true to type for beauty and gaits from dressage and jumper mares. With also jumping talent and versatility in his maternal bloodline, he can produce dressage, hunters or eventers depending on the mare.

Glamourdale won individual and Team Bronze at the 2024 Paris Olympics, but that was hardly his first time in the spotlight. He was previously named Champion of his KWPN keuring, placed second at his Stallion Performance Test, and commandingly won the FEI World Championships for Young Horses. Seemingly unstoppable since their commanding win of the Team Silver and Individual Gold Medal in the Special and the Freestyle at 2022 FEI World Championships, Glamourdale and Lottie Fry have continued to bring home top ribbons and impressive scores as high as 92%. Glamourdale's sire, Lord Leatherdale, was Reserve Champion of his Stallion Performance Test and a successful FEI competitor, as well as sire of Olympic medalist, Everdale. Dam is sister to the approved stallion; Numberto; and has been an exceptional producer. Damsire, Negro, is a proven choice for producing Grand Prix horses, including the Olympic Gold medalist, World Cup winner, and World Equestrian Games Gold medalist, Valegro. Glamourdale offspring have been selected for the World Breeding Championships for Young Horses, U.S. National Young Horse Championships, PAVO Cup Finals, and many are now at the FEI levels. In the U.S., his offspring are winning USDF Breeders Series, regional Championships, and earning top Horse of the Year rankings. With power and scope movement and a super character, Glamourdale offers the quality and name recognition dressage breeders are seeking.

Gorgeous Latino is a black GLOCK's Toto Jr. son out of the highly successful Manda line from Stal Hexagon. Latino holds a Dutch record, earning 95 points during his approvals—the highest score ever given by the NRPS, and acing the stallion test, earning 8.25 with a junior rider. Edward Gal voiced why Dutch national Champion Toto Jr. is one of Totilas's most popular sons: "I have the feeling that Toto Jr. can be even better than sire, Totilas. In the walk, demonstrating outstanding ground cover, the trot and canter, his light-footedness, balance and strong uphill tendency are captivating. His nature is outstanding." Dam, Blackmanda, has three generations of mares that performed at the highest levels and produced Grand Prix horses and licensed stallions. Damsire, Dutch Champion Rubiquil, won gold at the European Championships. Latino and Sabine Schutkery earned 87.9% and subsequently 91.5% in the FEI 6-year-old test—the highest qualifying scores in the U.S. Representing the U.S. at the FEI/WBFSH Dressage World Breeding Championships in Ermelo, Netherlands, they placed fourth in the small final on the world stage. In 2022, 2023 and 2024, Latino was the highest-ranking U.S. FEI horse in his age group. In 2023, Latino was the seven-year-old dressage national champion. In 2024, Latino was the national Prix St. Georges champion, while his sire, Toto Jr., competed at the Olympics. Gorgeous Latino foals show quality and superb character and have been awarded several gold medals.

Hallmark is a strikingly attractive son of the 2017 leading FEI jumper, Halifax by Heartbreaker. With three strong gaits and an athletic jump, he has been brought along carefully, including clear rounds at the 5-year-old level in 2024. His first foals are strong-backed and athletic, showing powerful movement. He is the first foal from his Premium Holsteiner mother by Cancara. His Contender grandmother produced multiple grand prix jumpers. At the North American Stallion Sport Test, he was the highest scoring domestically bred jumping stallion and second highest overall, receiving positive comments for his conformation, stallion presence, athleticism and willingness to work. With his unique combination of blood, we expect him to add quality and athleticism to his mares, with a big step and a powerful, scopey jump.

Hampton is the carbon copy of sire, His Highness—champion of his Hanoverian stallion licensing, stallion test and the Danish stallion licensing. His Highness was a successful dressage competitor and sire, producing 17 licensed sons, 69 St.Pr. mares and many successful offspring. As a 3-year-old, Hampton was reserve champion of his 70-day Test in Schlieckau (overall score 134.24). He won young horse classes, qualified for the 2009 Bundeschampionat and was successful up to Intermediare I—qualifying for the 2013 Nürnberger Burgpokal finals. His dam, SPS Red Chili, produced a second licensed son. Granddam, SPS Carina, is full sister to the stallion, Compliment, and dam to licensed stallion, Lesodoro. SPS Carina and SPS Red Chili won as a family in the 2007 and 2009 Herwart von der Decken shows. Damsire, Rotspoon (Rubinstein I), was champion of his stallion test and sired 21 licensed stallions. Rotspoon and Rubinstein I are noted for passing on rideability and trainability. Two years in a row, Hampton placed in the top 10% of German dressage sires with 148 points in the FN estimated breeding evaluation. Hampton produces elegant types with potential and kind, willing temperaments. Hampton has sired States Premium mares and Verden auction horses. Licensed son, Hampton's Junior, competed successfully in young horse classes, PK Happy Hippo competes at M and S Levels in Germany and CWH Hyperbole was champion of her mare performance test and Training Level Champion, High Score Open, High Score Hanoverian and breed show champion at the Kentucky Dressage Association show.

At his Trakehner licensing, Herzensdieb was awarded champion stallion. He was reserve champion of his 70-day Test, scoring above champions from Hanoverian, Oldenburg, Westfalen and Holsteiner licensings. He won the Trakehner championship for 3-year-old stallions, qualified for the Bundeschampionat for 6-year-old dressage horses, and then trained up to the advanced level. Sire, Tambour, won his stallion licensing and was highly successful in advanced level dressage and jumping. He became a successful sire, producing auction horses, Premium mares and successful sport horses. Herzensdieb's dam, St.Pr./El.St. Herzensfreude, scored 9.11 at her Mare Performance Test and was successful in dressage competition. This noted damline has produced several licensed stallions, successful dressage horses and highly awarded mares. With an FN breeding dressage value of 142 points, Herzensdieb is in the top 10% of German dressage sires and was awarded the prestigious Elite Hengst title by the Trakehner Verband. Herzensdieb stamps his offspring with his elegant type, friendly personality and exceptional rideability. Daughters, Heartbreaker, Harriet and Helmi, have won honors at German mare shows, and Elfenzauber qualified for the Bundeschampionat for 6-year-old dressage horses. Licensed stallion, Herzenswunsch, was Southern Germany Champion, Horse of the Year and multiple Bundeschampionat finalist. Halley v.H and Hollywood L are successful Grand Prix competitors and Hannigan L at Prix St. Georges. In Australia, Löwenherz is a champion eventer and PSG competitor. Herzensdieb had the highest number of Gold Medal foals in the 2022 AHS inspection and, in subsequent years, has produced several Gold Medal, top foals and Elite Mare Candidates.

His Highness was the undisputed Hanoverian licensing champion in 2002. Though he was in high demand as a breeding stallion, he began his dressage career under Klaus Balkenhol. At the Danish licensing in 2005, he was champion of the 4-year-old dressage stallions. In 2003, he was champion of his 30-day Stallion Test and his 70-day Test, receiving the outstanding score of 149.24. His sire, Hohenstein I, named 2002 Trakehner Sire of the Year, was a Premium stallion at his licensing and reserve champion at his stallion performance test at Adelheidsdorf, receiving the highest dressage index of 148.29 of 52 stallions. His dam, SPS Daireen, was a multiple champion at breed shows. Her sire, Donnerhall, had incredible success as a breeding and sport stallion, earning two Gold medals at World championships and producing licensed sons and States Premium mares. His Highness stood at Hengststation Jens Meyer in Germany for only five seasons, leaving an indelible influence on Hanoverian breeding. His progeny include 16 licensed stallions, 69 State Premium mares, and an ever-increasing number of performers in upper level dressage. Fully approved Hanoverian stallion, Hampton, was reserve champion of his 70-day Test and successful up to Intermediare I. Two other His Highness' sons, Hayden and Hampton, were finalists at the prestigious Nuremberg Burgpokal in Frankfurt. Happiness was reserve champion of the Herwart von der Decken Show. SPS Hila was champion mare of the Louis Wiegels Show. Owners of his offspring compliment their sweet temperaments, beautiful toelines and extraordinary gaits.

An excellent performance record, proven pedigree, and an exceptional production record make Iceman de Muze a top consideration for North American breeders. Iceman has an extensive FEI performance record under multiple riders through 1.60m. As a 6-year-old, he competed at the World Breeding Championships. Iceman then advanced to the CSI2\* and CSI3\* levels with top placings at premier shows across Europe. Imported to the U.S. in 2019, Iceman took top placings at WEF, Devon, New York, Tryon and Lexington. In 2021, Iceman was paired with young rider, Elli Yeager, with great success at Grand Prix and U25 Grand Prix.

Iceman's sire, Erco van't Roosakker, is an accomplished Grand Prix competitor, with top finishes at the CSI5\* level, Nations Cup teams, European Championships, and World Cup qualifiers. Erco combines the proven jumping blood of Darco and Kannan. Iceman's dam has an extensive competition record through the 1.45m jumpers, has produced three licensed stallions, and has multiple competition horses to her credit. Damsire, For Pleasure, was a medalist at the European Championships, World Cup Finals, and Olympics. Iceman produced a limited number of offspring early in his career before focusing solely on sport. From those early offspring, he has 13 FEI competitors to his record. Icen and HHS Ice Flo both competed at the World Breeding Championships, and Isla de Muze is competing at 1.60m. In North America, we're seeing his offspring show successfully in the jumpers, hunters and equitation rings, and his 2024 foals have been well received at inspections.

Sonnenberg's Jersey is a fully approved KWPN stallion by the legendary Preferent stallion, Vivaldi. Jersey passed his KWPN performance test as a 3-year-old and was the highlight of the KWPN Stallion Select Sale, purchased for development by Stoeterij Turfhorst. Jersey's test scores included: 7.5 walk, 8.0 trot, 9.0 canter, 8.0 elasticity, 8.5 posture and balance, rideability and talent. Jersey was champion of the small final FEI WBFSH Young Horse Championships in 2021 and ZZ National Champion in 2022. Jersey's sire, Vivaldi, was reserve champion of his performance test; winner of the KWPN finals—scoring a 10 trot, and showed internationally with success. He produced 35 licensed sons and many internationally successful offspring. He shattered all records with a 2-year-old son at the 2019 Hanoverian auction, selling for 2.01 million euros. Jersey's dam—a highly predicated KWPN mare (Keur,Pref,Prest)—produced five offspring shown successfully at PSG/I1 and Grand Prix dressage. She is by Preferent Olympic Ferro—team silver, European and World Cup finalist, adding a dash of Thoroughbred to the mix. In 2023, Jersey ranked No. 1 in the U.S. at Prix St. George, averaging 73.6%, and was U.S. National Champion Developing Horse Prix St. Georges. In 2024, Jersey ranked No.1 in the U.S. showing in the small tour, and at Lamplight was the U.S. National Champion at Intermediare 1 with Sabine Schut-Kery. Piaffe and passage will be one of his highlights when he competes in the big tour.

This beautiful black stallion was designated Premium at the 2018 KWPN stallion show and finished third overall with 84 total points at the 2019 KWPN stallion performance test in Ermelo. In 2018, he finished fourth in the VSN Trophy Finals, a talent-spotting competition for 3-year-old dressage horses. In 2020, Kaiman was on the Dutch team's long list for the World Championships for Young Horses. In 2021, he scored 81.4% in the Pavo Cup Semi-Finals for 6-year-old dressage horses. In 2024, Kaiman competed at Fourth Level with scores in the 70s. With 8.5s on his trot, canter, elasticity, balance, rideability and talent as a dressage horse and an 8.0 on his walk, Kaiman demonstrates self-carriage, balance and suppleness in all three gaits. His walk is pure, active with good scope. His trot is supple with good cadence. He's known around the barn for his good attitude, kind nature and willingness to work. Kaiman comes from strong dressage bloodlines: sire, Dark Pleasure, was a successful small tour horse, carrying the Olympic genes of Ferro and Preferent, and dam is Elite, Preferent mare, Franciska, daughter of legend, Gribaldi and granddaughter of standout, Krack C—also known as an important damsire. Franciska is a full sister of small tour horse, Eye Catcher, and half-sister to Geronimo, who's competing at the ZZ-Zwaar level. The approved KWPN stallions, Redford and Foundation, come from the same family. With all that talent, Kaiman will add movement, suppleness, rideability and good character for your next dressage prospect. His son, Ohio, was licensed Oldenburg in Vechta in 2021.

International Grand Prix jumping stallion, King Kolibri, is named after his sire, Kolibri, and ancestor, King. Kolibri, called the “Landgraf of the East,” is an important stallion in eastern Europe where he sired many respectable show jumpers. King Kolibri’s dam, Atletica, won the final of the Toscana Tour for 7 year olds and participated at the European Championships in 2007. Atletica’s sire, Libero H, is considered to be the most influential stallion of the past decade—both in show jumping and breeding. He received the Preferent Stallion award from 25% of his offspring competing at international levels. King Kolibri has since followed in the footsteps of his parents. He was described as a noble, elastic stallion with great potential for show jumping in Hannover. In the beginning of his career, Jos Lansink successfully piloted the stallion around many grand prix tracks. In 2011, he had top results including sixth place in the CSI5\* Prix Europa in Aachen, seventh in the CSI5\* Dublin Grand Prix, third in the CSI5\* 1.50m in St. Gallen and 10th in the 1.45m CSI5\* in Rome. King Kolibri was sold to American rider, Lauren Tisbo, in the fall of 2011, where he continued to shine. The pair’s first top result together was a fifth-place finish in March 2012 in the \$500,000 CSI5\* Grand Prix in Wellington, Florida. During 2013, the pair went on to have additional top finishes in Wellington, including a sixth-place finish in the CSI3\* Grand Prix.

Kjento's pedigree, type, powerful gaits, and rideability have captivated breeders since his approval. He was named champion of his KWPN Stallion Test, earning no score less than 8.5, five scores of 9.0, and 9.5 for his canter. He finished as Reserve Champion at the PAVO Cup Finals, won the World Championships for Young Horses twice, and, named the KWPN Stallion of the Year. The young stallion is now showing well at the Prix St. Georges/Intermediare level and is training all the Grand Prix work with ease. Kjento is by the preferent stallion; Negro, top sire of FEI Grand Prix horses. Kjento's dam competed through Z-level dressage, was third at the National Mare Show at 3-years old, and earned an impressive score of 90 at her IBOP. She has two approved sons and nine Ster/Elite daughters. Her sire was an international Grand Prix competitor and has one of the strongest records in the world for siring FEI offspring. From Kjento's earliest foal crops, he already has multiple approved sons and elite daughters. With his oldest offspring now 4-years old, we see them winning PAVO Cup Qualifiers and earning top placings at the Bundeschampionate. In North America, Kaliente EMF won the 3-year-old Materiale Championship at the prestigious Dressage at Devon. Kjento is an excellent choice for improving movement mechanics, impulsion, use of body, and talent for the collected work. His offspring show his beautiful type, good length of leg, expressive gaits and sensible character.

L Primo DG was the 2022 West Coast Champion at the North American Stallion Sport Test (NASST) with a final score of 86.5. He also was reserve champion at Fourth Level for both the California Dressage Society and the USDF in 2023. L Primo scored 9.0 for conformation and 8.5 for gaits during his KWPN NA inspection. His offspring show very clean legs and good feet, and are very elastic movers, well proportioned and have good temperaments. His sire, Bordeaux, speaks for himself: he is well known for producing horses with very good rideability and potential for Grand Prix. His dam, Santana, has produced very good sport horses: four Keur mares with high scores in the performance test and two Grand Prix horses.

Lagoheidor is a rare combination—winning both his Keuring and stallion performance test, competing successfully at both international FEI show jumping and FEI dressage, and producing numerous international FEI jumping and dressage offspring. Lagoheidor was supreme champion stallion of the 1994 Oldenburg approvals. A year later, he dominated at the stallion performance test in Medingen, Germany, against tough competition with a score of 140.75 points. He won the total classification with equally high points in all criteria including achieving two perfect scores of 10 in jumping. Lagoheidor is a full brother to the approved stallions, Landwerder and Landor S, who became the German National Champion of 6-year-old jumpers and best Oldenburger jumping sire in the world in 2010-2012 (WBFSh Ranking). Lagoheidor won his 2001 stallion class at Dressage at Devon before he and his owner/rider relocated back to Germany. They successfully competed in FEI dressage for six years in Europe, then returned to New Jersey to continue his breeding career and compete at the Grand Prix level. Lagoheidor has sired two approved stallions, Living and Lord Oldenburg—who was reserve champion at his stallion performance test in Germany and sold at the 2001 Elite Auction for DM200,000. Lagoheidor produces friendly, modern, true-to-type foals. His Grand Prix dressage son, Lonevan, trained by Ingrid Klimke, is listed on the FEI WBFSh World Ranking List as well as Shenandoah, and daughters, Penny Lane and Baloubetta Du Soleil, are on the jumping list. Lagoheidor was selected for the AHS Jumper Breeding Program (JBP).

Lantanas's exquisite type and expressive gaits instantly capture your attention. He received an excellent report at his KWPN Stallion Test and earned 8.0s or higher for all three gaits and was praised for his willingness to work, his talent for dressage and his uphill balance. He's competed in the stallion competitions and young horse classes including earning a score of 81.4 points at the PAVO Cup Finals. His sire, Sir Donnerhall, has over 100 approved sons, 221 States Premium daughters, Young Horse Champions, and many Grand Prix CDI horses to his record. Sir Donnerhall has ranked as high as third on the WBFSh Dressage Sire Rankings and his sire, Sandro Hit, held a top 10 placing for over 10 years. Sir Donnerhall's damsire, the legendary Donnerhall, has had an incredible impact on dressage breeding, and the Sandro Hit/Donnerhall combination has been an especially effective breeding nick. Lantanas' damline is of particular interest. His dam is a Prestatie mare who produced two licensed stallions, the Grand Prix mare Vitana V, and is the granddam for the Grand Prix stallion, Cennin. Her sire, Hemmingway, competed at the World Championships for Young Horses and competed through 1.40m in show jumping. This valuable jumping blood is important to infuse into dressage breeding. Hemmingway has sired offspring successful in multiple disciplines as befits his versatile Holsteiner roots. Lantanas's influence on type and movement is clearly seen in his early offspring. He already has two approved sons and 11 Ster mares to his credit.

Lord Adonis was raised and developed in Germany by renowned international grand prix jumper, Rene Tebbel. Tebbel presented him for licensing at the Oldenburg Hengst-Tage. Just two months after import, he attended the North American Stallion Sport Test where judges remarked, “Lord Adonis impressed because of his good type and his long legs...In jumping, his ability was especially impressive; in dressage, he received high rideability values.” Highlights included: 9.0s for character, constitution, stadium jumping and free jumping and 8.5s for temperament, cross country and walk. His modern type, confident yet quiet demeanor, and versatile talents have him licensed with most studbooks. Sire Lordanos, a USEF Leading Jumping Sire successful in 1.40m and 1.50m classes for 11 years, has more than 34 offspring that jumped at the 1.60m level. Lordan/Lordanos won the Zoetis \$1 million Grand Prix at HITS Saugerties (NY) twice and was reserve a third time. Undeniable, by Lordanos, won the HITS/ Diamond Mills \$500,000 Hunter Prix in 2017. Damsire, Raphael, sired 1.60m jumpers and Grand Prix dressage horses, adding in nice movement to a big, beautiful jump. Lord Adonis offspring are consistently typey and amateur friendly, many started and shown by their owners. Lord Adonis son, Kanuck, won the free jump class at the Canadian Royal West with an 87. Ladicea (Lord Adonis/Balou du Rouet) was USDF Sporthorse Horse of the Year Reserve Champion and Gold Medal recipient. Lord Adonis has several AHS futurity champions, Gold Medal and Premium foals. Bernstein's high-quality basic paces, excellent type and outstanding temperament instantly catch your attention. He is a model athlete with excellent neck conformation, great shoulder freedom, a strong back and a lot of power. The trot and canter are always uphill, and his clear walk offers excellent ground cover. Bernstein completed the Danish Warmblood 35-day stallion performance test, earning multiple scores of 8.0 and an 8.5 for capacity from his guest rider. In 2022, he added Hanoverian and Rhineland to his list of approvals. Bernstein's sire, Bonds, was named Oldenburg Champion Stallion in 2015 and earned impressive scores of 9.12 and 9.28 at his sport tests in 2017 and 2018. Bonds currently competes at advanced level and has nine licensed sons to his credit. Grandsire, Benicio, was a winner of the Bundeschampionat and developed into an accomplished FEI horse. He is highly regarded as a sire and highly ranked on both the German FN and Hanoverian Verband Dressage Sire Ranking lists. Bernstein's dam, Sunshine M, is by the influential stallion, Quarterback, who has numerous offspring competing internationally and is currently ranked No. 4 in the world on the WBFSh Dressage Sire Rankings. Sunshine M's damline is the exceptional Elfenblume line from Germany. The first Bernstein foals arrived in Europe and North America in 2022 and are loved by their breeders. They consistently show his type and expression. Bernstein's first breeding season in North America was very successful, with numerous breeders across the country expecting Bernstein foals. Lordswood Bernstein SL's offspring are receiving top scores and championship awards at their inspections.

From an exceptional mare and a well-proven bloodline nick, Louisville HTF is already proving his own talent in sport and as a sire. Completing his lifetime approval through the NASST, Louisville was rewarded with scores as high as 9.0 for his canter and rideability and an 8.5 for his trot. Louisville has been Champion of the U.S. Dressage Finals and a USDF All-Breeds Awards winner. In 2024, Louisville placed seventh overall at the USEF National Young Horse Championships and moved up to Intermediate I at the end of the season. Louisville's sire, Lord Leatherdale, has sired Young Horse World Champions and international Grand Prix horses. Louisville's dam was a successful Grand Prix horse and an exceptional producer with two licensed stallions, a premium mare, and her oldest offspring winning at Grand Prix. Her sire, Negro, is one of the most proven sires for production of Grand Prix offspring. The Lord Leatherdale/Negro combination is a particularly proven nick, which includes Olympic medalists, Glamourdale and Everdale. Louisville has multiple Premium and Gold Medal foals to his credit, and his offspring have earned top placings in the USDF Breeders Championships. His oldest foal crop was started under saddle in 2024 and have proven to inherit their sire's intelligence and rideability.

Lowlands OLD is an approved KWPN stallion who was reserve champion at the autumn KWPN stallion performance test in Ermelo in 2019, scoring no lower than 8.5 in any category, with a total of 87.5. Highlights included 9.5 on walk, 8.5 on trot, canter, elasticity and balance, and a 9.0 on rideability and attitude. At his testing, the KWPN praised the black stallion for his reliability, concentration under saddle and willingness to work. Lowlands' sire, Millennium, was Trakehner Stallion of the Year 2022 and sire of 63 licensed sons, including stallion test champions. Millennium debuted in small tour classes in 2019 and represents famous athletic dressage lines as a grandson of Gribaldi. His dam, La Donna S, is a daughter of the Grand Prix stallion, Donnerball, and an Elite States Premium mare, selected for the prestigious Brilliantring at the Oldenburg Elite Mare Show in Rastede. In addition to Lowlands, she produced two licensed sons, a daughter competing at Prix St. Georges and an Elite foal. Lowland's grandmother, Lucy (by Landadel), is the dam of three States Premium mares, the Grand Prix dressage horse, Nora, ridden by Christa Larmoyeur and a Z2 dressage horse. Lowlands' first offspring, born in 2021, are just starting in sport and are very trainable and nice to ride. Lowlands' recent highlights include third place at Jumping Amsterdam, Prix St. Georges (69.21%) in 2024, first place finishes at Subtop Beesd with 75.429% and 76.929%, and Silver Medalist ZZ-Zwaar Championship at the Dutch National Dressage Championships.

Monterey was one of the most striking stallions at the 2018 Oldenburg stallion licensing in Vechta. Impressive in the arena, Monterey was revered with regard to his bloodlines and named Premium stallion, receiving cheers from the crowd. He is very rideable with a lot of charm and confidence, immaculate in his foundation and demonstrates amazing gaits. His sire, Morricone, was the Oldenburg Champion Stallion in 2014 and secured victory for the Oldenburg Main Premium in 2016. He won his stallion performance test and qualified for the German Championships with victories in competitions for young dressage horses. His dam, Special Diva, was German Champion in 2014 and won many dressage competitions at novice (A) and elementary (L) level. Monterey is half-brother to Total Diamond PS, owned by Helgstrand Dressage. Monterey's granddam, Die Minelli, has also produced stallions: Brillant (by Bretton Woods) was champion stallion of the Mecklenburg Licensing Days in 2014 and Decor Siebenstein (by Sir Donnerhall I)—selling for over €500,000 at the P.S.I. auction in 2011—was victorious in Intermediare II in the Netherlands. Fürst Diamond, by Fürst Romancier, was successful in the international small tour. His great grandsire, Diamond Hit, competed in international Grand Prix competitions with Emma Hindle (GBR) and produced more than 70 licensed stallions and 160 Premium mares. Monterey's first foal crop in the U.S. was a huge success, producing extremely typey, top moving, correct foals with very good temperaments. All of his foals inspected GOV went premium.

This Negro son was named Premium Stallion at the Hanoverian Stallion Licensing in 2017. He impressed the judges and excited them with his unique pedigree. At his licensing, Nechristo's strong muscular back, powerful hindquarters, momentum and elasticity were recognized and noted. Nechristo received 9.0s for rideability, temperament, character and willingness to work, 8.5 on his trot and 8.0 on his canter. Prior to his purchase by Avalon Equine, he stood at Celle and participated in the annual Stallion Parade. With his beautiful type, deep rich chestnut color and his good testing scores, he will be a wonderful addition for North American warmblood breeders.

A pedigree filled with Grand Prix talent; the first five stallions appearing in O'Frederic's pedigree competed through the Grand Prix level. Sire For Romance I is a two-time Oldenburg Champion Stallion, Burg-Pokal Finalist, VTV Dressage Stallion of the Year, and Grand Prix competitor. He has over 60 approved stallions and numerous premium mares to his credit. O'Frederic's dam is a half-sibling to the successful Grand Prix horse; Duke of Swing. Damsire, Fidertanz, is a Grand Prix competitor and has over 400 offspring successful in sport, contributing to him earning the Hanoverian Stallion of the Year title in 2021 and a seventh place ranking on the WBFSH Dressage Sire Ranking for 2022. Riana's damsire, De Niro, had a wonderful sport career with over 24 wins at S-Level and has been consistently ranked at the top of the WBFSH Dressage Sire Rankings for many years. O'Frederic completed his KWPN Stallion Performance Test, earning scores of 9.0 for walk and rideability. Additional highlights included 8.5s for canter and talent as, dressage horse, and scores of 8.0 for trot and elasticity. He has competed in the competitive PAVO Cup Finals and, at the KWPN Stallion Show in 2024; O'Frederic and Lottie Fry were recipients of the Perfect Pair Prize, awarded for their harmony score throughout the show. The first North American O'Frederic foals arrived in 2024 and were well-received on the AHS inspection tour with one earning the coveted Gold Medal award.

Pedigree, performance, and an incredibly proven record as a sire make Olivi a top contender for dressage breeders. Olivi was Reserve Champion of his KWPN Stallion Selection. His competition record includes placings in the PAVO Cup Finals, the French Young Rider Championships, and at the CDI Grand Prix level. Olivi's sire, Jazz, is one of the most significant sires in modern dressage breeding. An international competitor himself, Jazz has ranked in the top five of the WBFSH Dressage Sire Rankings for over 10 years and is the sire of international stars; Johnson, Parzival, and Vancouver K. Olivi's dam descends from the famous Utopia mare line, one of Holland's prized mare families that produced famous stallions such as Vivaldi and Arko III. Olivi's damsire, Aktion, competed in the European Championships, World Equestrian Games and Olympics. Olivi's offspring have earned him the incredibly high dressage index of 175 and previously ranked second on the KWPN Sire Rankings and 18th on the WBFSH Dressage Sires list. He has sired many Keur/Elite daughters, two approved sons, is the damsire for additional licensed stallions, and has sired sport horses successful to Grand Prix. His offspring have earned top rankings in the Horse of the Year standings and Regional Championships. In 2024, the Olivi daughter; Only Diamonds SDSF; was the winner of two USDF Breeders Championship Finals and topped the USDF Horse of the Year rankings for 4-Year Old and Older Maiden Mares. To breed your next champion, start with a proven sire like Olivi.

Orbetello is bred for performance at the highest level. During his Oldenburg stallion licensing (Vechta), he scored the highest free-jumping score to date, received the honor of the Premium designation and placed third overall. During his 70-day stallion test (Munster-Handorf), Orbetello earned the outstanding overall score of 121.988 (106.63 dressage; 131.72 jumping). He was approved by the Belgian Warmblood (BWP), receiving 9.5 for jumping, rideability, walk, canter, type and forelegs. At the 2021 AHS inspection, Orbetello scored 9.0 for head, neck, hindleg and 8.0 for conformation, typiness, frame, walk, canter. In 2023, he received BWP's Elite Stallion title for his show jumping record. His sire, BWP Ambassador Stallion Orlando, is highly ranked as a sporthorse producer. Grandsire Heartbreaker, Keur stallion and leader on both Dutch and Belgian jumping indexes, produces upper-level jumpers and eventers. His damline, Holsteiner mare Landkind, descends from Landgraf I by Ladykiller xx—the most influential Thoroughbred stallion in German sporthorse history. Legendary Nimmerdor and Darco round out his exceptional pedigree. Orbetello impressed throughout his competitive years, retiring sound at age 18. With Margie Engle (USA), he earned the Winter Equestrian Festival 8-Year-Old Jumper Circuit Championship, then excelled at 1.60m with Federico Style (ARG), Brianne Goutal-Marteau (USA) and Paul O'Shea (IRE). Orbetello's proven lineage, impeccable temperament with competitive longevity and soundness, has strong appeal to breeders of warmblood and Thoroughbred mares. We look forward to following the success of his young and upcoming offspring in dressage, eventing and show jumping.

From the breed show ring to the Grand Prix ring, Qredit has surpassed our expectations each step of the way. He's been Grand Champion of Dressage at Devon, Champion of his 70-day Stallion Test (earning ten scores of 9.0 or higher), Reserve Champion of the USEF Young Horse National Championships, two-time USDF Horse of the Year winner, many USDF All-Breeds titles, Champion of the U.S. Dressage Finals, and winner of the Devon CD14\* Grand Prix and Freestyle. His pedigree is packed with Grand Prix dressage horses and includes jumping blood to offer versatility in breeding choices. Qredit's sire, Quaterback, was winner of the Bundeschampionat and competed to the FEI levels. Quaterback's record as a sire is a highlight, including ranking in the top five on the WBFSh Dressage Sire Rankings for the last five years. Qredit's dam comes from an exceptional mare line that has produced multiple licensed stallions and FEI horses. Damsire, Dream of Glory, competed to Grand Prix and sired licensed stallions, Bundeschampionat winners, high-priced auction offspring and many Advanced Level dressage competitors. The versatility of the Qredit offspring is apparent with offspring winning in dressage, hunters, eventing, and combined driving. His oldest offspring are shining at the FEI levels, including Qennett HTF who was named the Grand Prix Open and Grand Prix Freestyle Reserve Champion at the 2024 Region 1 Championships. Qredit crosses well on a variety of bloodlines and is a fantastic choice for adding suppleness and elasticity with clockwork rhythm.

Quidam Blue is an international grand prix jumper approved by the German Hanoverian Verband. He is a gem to have in the stable and a beautiful athlete who loves his work and his people. Quidam Blue started his show career by winning the 5-year-old Western Canadian Young Horse Championship. As a young head turner, he collected ribbons at venues such as Spruce Meadows (Canada) under his amateur rider, Beke Brinkmann, and played his way into the 1.30m division. In 2014, he quickly entered the 1.50m level with Olympic silver medalist, Jill Henselwood. Together their highlights include top-three finishes as part of the Canadian team at the Furusiyya FEI Nations Cup in Bratislava, Slovakia and the Wild Card SmartPak Grand Prix at Saugerties, New York, and winning the SynOil Energy Services CSI2\* Cup at the Royal West in Calgary. He added numerous placings in the 1.60m level in the following years. During his own training, he always impressed his dressage and jumper coaches. Quidam Blue is known to pass on his natural ability for collection, clean gaits and a superb canter, with his offspring suiting both amateurs and professionals. Quidam Blue is the sire of the Champion Hanoverian Jumper Foal (Canada), the high-scoring filly of the Belgian Warmblood Association (North America) and the third-place jumper foal of all KWPN inspections in North America, just to name a few. His pedigree is filled with famous French, Holsteiner and Westfalen jumping bloodlines, including the names of Quidam de Revel, Landgraf I, Come On, Cantus, Pilot and Weinberg.

Rascalino completed the dressage portion of his Adelheidsdorf performance test with the knockout score of 153.37 and a jumping score of 103.56—making him the winner of the test with a final score of 149.29. He scored a 10 for trot and 9.0s for canter, walk and rideability and 8.0s for willingness and temperament. In fact, his respectable jumping score is probably a product of the Wedekind/Ferdinand and Wendekreis/Ferdinand that's in the background of the damsire, Velten Third. A further performance component is added through paternal grandsire, Rubinstein I, a line known for dressage excellence, but also with some talent at the jump. The sire of the second dam, World Cup III, ensures dressage excellence. Rascalino is a beautiful, elegant stallion with the best gaits and exceptional freedom of the shoulders, making his mark in modern dressage breeding in the hoofprints of his famous sire and grandsire. Rascalino is a proven breeding stallion with 15 licensed sons and 104 St.Pr. mares and ranks in the top 5% of the best dressage stallions in Germany with a breeding value index of 149. Many of Rascalino's offspring produced here in the U.S. end up as fancy hunters.

Rassolini is a Grand Prix dressage stallion with wins and many placings. He was campaigned by Jan Ebeling, when owned by Ann Romney in a syndicate. As a 5-year-old, Rassolini placed fourth at the World Young Horse Championships and fourth in the Bundeschampionate Finals. He was also champion at the Nurnberger Burgpokal Finals at Prix St. Georges and a team silver medalist in the Young Rider championships with Christian Simonson. "I'm so thrilled and honored to have this opportunity with one of the best horses in the world," said Jan Ebeling in an interview with *dressage-news.com*, adding: "This is so exciting not only for us, but for dressage in America to have a horse of this quality." Rassolini has a solid R-line temperament and has offspring competing at Grand Prix. Ribaldi delivers all his pedigree promises, with his dressage bloodlines on top and his jumper bloodlines on the bottom. Ribaldi has a huge heart and never says no to anything asked of him. Ribaldi is a very bold and talented jumper both in the ring and cross country. He is gifted with three super gaits with a particularly extravagant canter. Ribaldi has a very strong hind leg and would benefit many different types of mares. His first few crops of foals have won the title, Best Young Horse, multiple times. Ribaldi also was ranked No. 4 for the USEF hunter breeding stallion of the year in 2022. His sire, Rosenthal, was a leading producer of Premium foals of multiple breeds, adding both beauty and temperament. His offspring are simply stunning with beautiful conformation and excellent heads that catch the judges' eyes along with everyone else's. Rosenthal was ranked No.1 dressage breeding stallion in 2007 and then went on to be the No.1 hunter breeding stallion in 2017, 2018 and 2019. Ribaldi's grandsire, Totilas, earned three world records in the dressage arena along with three gold medals at the World Equestrian Games. He produced 28 licensed stallions and 36 Premium mares in his lifetime. Ribaldi ranked No. 3 in USEF Hunter Breeding Sires of the year for 2023.

Richmond HL is a refined and modern Hanoverian stallion, known for his strength, stamina and exceptional qualities. In his 100-day performance test, he placed second in dressage among fellow Hanoverians. He earned 7.0s for his jumping ability and technique, 8.0s for his walk and trot, and an impressive 9.0 for his canter. Richmond also received high marks for conformation, with scores of 8.0s and 9.0s, and a 9.0 for his excellent temperament. Richmond is a kind, willing partner, both in hand and under saddle, making him a joy to ride, train and handle. He has been shown successfully across all levels of dressage, especially Grand Prix, competing under the guidance of professionals, amateurs and junior riders. As a sire, Richmond passes on his exceptional traits, with his offspring competing successfully at FEI levels.

Royal Prinz is an elegant, long-legged stallion with a long FEI career including CDI wins in Wellington, Tryon, Saugerties and San Juan Capistrano. He was Reserve Champion of the USEF National Championships at Intermediaire, USDF All-Breeds Champion at Prix St. Georges, USDF All-Breeds Reserve Champion at Intermediaire I and third in USDF Horse of the Year standings. Under several riders, he has proven his talent and consistency. Royal Prinz's sire, Royal Diamond, earned attention as Champion of his Stallion Performance Test with an impressive 140 points overall and 150 points in dressage. He went on to win the Bundeschampionat and developed up to the Grand Prix level. Royal Diamond is a full-brother to Rohdiamant. Royal Prinz's damsire, Dream of Glory, has proven particularly influential as a damsire, including our own CDI Grand Prix horse, Qredit Hilltop. Royal Prinz offspring have already succeeded in dressage and eventing. From his earliest foal crop, the Oldenburg mare, Roma, has successfully competed at Prix St. Georges and Intermediate I with a junior rider, earning multiple USDF Regional Championships. In 2024, the Royal Prinz daughter, Royal Prinzess SCF, won the 4-Year-old Mare Materiale at the prestigious Dressage at Devon. His foals very much impress with their type and high-quality movement across a variety of mares. He has multiple Premium and Gold Medal foals, as well as breed show winners. Royal Prinz's stamp is particularly evident in their impressive head/neck, overall expression and freedom of the shoulder.

Royal Tourmalet SPF, "Artie," is an excellent example of balanced conformation, pure gaits and power. He won the Dr. Robert Miller Memorial Perpetual Trophy as the Highest Scoring American-bred Stallion at the 2015 Dressage at Devon. Judges commented on his "walk's good use of topline with elasticity and swing"; "trot's good energy, suspension, cadence and ground cover"; and "modern type, attractive uphill build, well-set neck and well-angled hind leg." Artie possesses great presence and an unimpeachable temperament, and is producing foals with uphill builds, strong toplines, powerful hind ends, pure gaits and wonderful temperaments. Royal Tourmalet SPF's career highlights include: 2023 Intermediare I scores to 75%; 2023 USEF Silver Stirrup Zone Champion Intermediare I and Intermediare I MFS-O; 2022 USEF Silver Stirrup National Grand Champion Prix St. Georges-O; 2022 USEF Silver Stirrup Zone champion at both Prix St. Georges-Open and Intermediare I-Open; 2020 USEF Silver Stirrup National Grand Champion Fourth Level-O; 2015 Dressage at Devon Born in the USA Champion Stallion; 2015 earned qualifying scores for the USEF National Young Horse Dressage Championships; 2015 USEF Silver Stirrup Zone Champion at both Training Level-O and Materiale; 2015 USEF Silver Stirrup Reserve National Grand Champion Training Level-O; 2015 NEDA Year-end Champion Materiale; 2014 Dressage at Devon Born in the USA Champion Materiale, 3-year-old stallions; 2014 USEF Silver Stirrup National Grand Champion Materiale and Reserve National Grand Champion Dressage Sport Horse Breeding (DSHB); 2014 USEF Silver Stirrup Zone champion in both Materiale and DSHB; and top foal at his 2011 AHS inspection.

At his 70-day Stallion Test, Rubinero finished second in dressage with a score of 140+ points and finished third overall. His character and rideability earned him perfect 10s. Rubinero qualified for the Bundeschampionat, was Reserve Champion at Rastede and quickly rose to the advanced levels. Imported to the U.S. in 2013, Rubinero continued his winning ways, earning scores as high as 72.5% at Intermediaire I. He was the USDF Region 3 Champion at Intermediaire and Reserve Champion at Prix St. Georges. Rubinstein, Rubinero's sire, is a legend with over 90 approved sons, more than 140 States Premium daughters, and his offspring have won over 2.5 million euro in competition. Rubinero's dam, Faola, passed her Mare Performance Test with an overall score of 8.36, receiving a 9.0 for willingness to perform, canter, rideability, free jumping technique and a 10 for free jumping ability. She produced two licensed stallions, successful dressage horses, a 1.40m jumper, and is the granddam to a licensed stallion. With Ex Libris and Furioso in the mix, what a versatile pedigree Rubinero offers. Breeders return to Rubinero for the type and outstanding temperaments he so consistently produces. Rubinero offspring shine from young horse classes through FEI, and we continue to see his offspring competing at all levels of sport. In 2024, Ruben D4K won the Region 8 Third Level Jr/YR Championship and the Devon CDIJ. The trainability, talent, and jumping ability Rubinero consistently produces have proven his offspring successful in the hunter ring.

At the 2020 Olympics in Tokyo, Sanceo earned the highest U.S. individual score and helped the team to a silver medal—the best team finish since 1948! Sanceo scored 81.596% in the Grand Prix Special, 78.416% for fifth in the individual test, and an impressive 84.300% for his emotive Grand Prix freestyle. Sabine Schut-Kery credits their success to Sanceo’s desire to work for her and please. “He’s there for me, and I really do feel we have an incredible partnership. He’s sensitive, not over-reactive, he lets me guide him and be the leader,” she said. Sanceo is one of the most decorated dressage stallions in North America today, achieving top marks with every goal set. Sanceo’s type is gorgeous, balanced, leggy and harmonious, with a medium frame, correct legs and hooves. Sanceo’s best attribute is his golden character: he’s smart, sweet, calm, happy to work and learn. Sire, San Remo, is a leading dressage sire, eighth in the 2018 WBSH ranking and described as a modern dressage horse with quality movement, type, three outstanding gaits and a good nature. Sanceo’s dam, SPS Rivera, is a Premium mare sired by Ramiro’s Son II/Ramiro. Several of Sanceo’s siblings are Premium mares, some have competed up to Intermediare I, and others jump up to 1.30m. Ramiro’s Son II produced hard-working, sound, exquisite sport horses—many competing internationally. Sanceo’s first foals are high quality in Europe and the U.S., earning several gold medals.

It's rare we see such an accomplished stallion available to North American breeders via cooled semen. Salvino's rise to the top of sport started in the FEI Young Horse, earning top placings in the 5- and 6-Year-Old classes with scores as high as 83%. After his importation, Salvino was paired with Adrienne Lyle who brought the stallion to great success competing Grand Prix internationally. His unmatched performance record includes representing the U.S. at the World Cup Finals, finishing sixth individually at the 2022 World Equestrian Games in the Grand Prix and the Freestyle, and earning a Team Silver Medal at the Tokyo Olympics. Salvino has also been the US Equestrian's International Horse of the Year. Looking at Salvino's pedigree, the talent for Grand Prix is no surprise. His sire, Sandro Hit, is one of the most influential sires of dressage breeding with over 200 S-Level competitors, 190 approved sons, and 300 premium mares. Sandro Hit has maintained a top 10 position on the WBFSH Dressage Sire Rankings for the last ten years—with no less than 10 Olympic competitors to his record. Damsire, Donnerhall, is another exceptional producer for dressage with over 100 Grand Prix competitors and 120 licensed sons to his credit. The combination of Sandro Hit and Donnerhall has proven to be an exceptionally successful breeding nick. The first Salvino foals are expected in 2025. With his exceptional performance record and proven pedigree, Salvino will be a wonderful asset to breeders in North America.

Sarkozy was licensed as a 2.5-year-old colt with the Oldenburg Society first, followed by the Hanoverian, Rhineland, Westfalen and Mecklenburger Verband. He did his 30-day stallion performance test in Schlieckau in November 2008 and scored 9.01 for dressage and 6.88 for show jumping, finishing on a total of 8.03 points. Owned by Paul Schockemöhle, Sarkozy was first trained and competed by Anja Engelbart as a 4-year-old in 2009. A few months later, Eva Möller took over the ride and won the 2009 Hanoverian Young Horse Championships with him, followed by silver at the 2009 Bundeschampionate. In 2010, the pair was selected to represent Germany at the World Championships for Young Dressage Horses in Verden, where they placed 11th in the finals after ranking fifth in the preliminary round. At the Bundeschampionate a month later, they were fourth in the 5-year-old dressage horse finals.

ES Schroeder brings unique, world-class champion bloodlines to his FEI success and offspring, along with an easy character and trainability. Schroeder has competed to FEI Grand Prix dressage, and his offspring follow in his footsteps—being successful at Grand Prix dressage, hunters, breed shows and inspections. He's known for producing modern types, good topline, pretty heads, super rhythmic movers, leggy, tall, and correct conformation with characters perfect for the amateur. His sire, Sandro Hit, has been the No.1 sire of the WBFSH rankings, known for producing top Grand Prix horses, like Schroeder. Schroeder's dam, SPS Esmeralda, was the 2002 champion mare at the famous Louis-Wiegel Show and was named reserve champion of the Ratje-Niebulu Show in Germany. Schroeder's maternal grandsire, Escudo I, won his performance test and was the 6-year-old world jumping champion in Germany in 1997. We're glad to help you decide if Schroeder is a good fit for your mare and for your goals.

Secret's sensational son, Segreto 66, was presented the coveted Premium Award at the 2020 Verden licensing. The National Stud of Warendorf requested to buy him back the next day. It was a confirmation that he is an exceptional stallion to have in the U.S. He possesses the same elastic, uphill canter as his father, the extremely popular 2020 Bundeschampionate, Secret (Sezuan x St. Moritz x Rotspon). Secret is known for his outstanding type and three gaits of the highest quality, rectangular frame and sturdy joints. On the dam side, Stedinger, by Sandro hit, is known for his modern type and incredibly agile, graceful offspring. Segreto 66 has a workmanlike, straightforward character and a wonderful temperament. He is developing into a powerhouse in a compact package. An extremely well-balanced agile sport horse, he achieved an 81.04% in his first materiale class. He received a 9.0 and "WOW!" for general impression, 8.5 for canter, 8.0 for trot and 8.2 for the walk. In addition, his quality has been further affirmed by his recent North American Stallion Sport Test at Hilltop Farm in 2024, where he was named champion stallion. He is currently licensed with the Hanoverian Verband, American Hanoverian Society, Westfalen NA and the American Rhineland Stud book. Breedings are limited for 2025, due to training and show schedules.

Serupgaards Cezanne is a 2019 Danish Warmblood Stallion, bred in Demark by Heidi Bickham. Imported in 2021, he started training with Willy Arts at D G Bar Ranch and began his dressage career in 2023, compiling impressive results. In 2023, he qualified for the USEF Festival of Champions 4-year-old young horse, finishing fourth overall and winning his first class with a high point score of 88.8%. Again in 2024, he qualified first in the country for the USEF Festival of Champions 5-year-old young horse and finished third overall. At the 2023 and 2024 California Dressage Society championships, he won his 4- and 5-year-old dressage futurity classes. Willy Arts described Cezanne as a very talented horse, a complete horse with good gaits, good character and good temperament. In 2023, he was presented at the West Coast North American Sport Stallion Test (NASST) and won with a score of 8.76, including 9.0s for his trot and rideability. He was presented at NASST again in 2024 as a 5-year-old and scored a very impressive 86.0. Cezanne's competition results confirm his superb dressage aptitude as summed up by the following quote from the NASST KWPN judge, Floor Droge, "Cezanne is a well-developed stallion with three good gaits. He shows a remarkable natural balance, beautiful silhouette and top rideability. His trot is already adjustable and shows a lot of technique." Cezanne is lifetime licensed for the Hanoverian, Oldenberg, KWPN, Rineland, Westfalian and Danish stud books.

Sunday NRW's first USA foals will arrive in 2025! In 2009, Sunday's career began with the outstanding victory in the 70-day stallion test in Warendorf. Since then he has earned many victories and placements up to Grand Prix. He has more than 80 recorded offspring placings in the sport up to the Grand Prix De Dressage International, several state premium daughters and an approved stallion in Germany. He received an outstanding score of 9.5 for rideability, temperament and trot, a 9.25 for canter and 9.0 for character. He is passing his trainability, talent and good nature on to his offspring. He has a great conception rate and is an excellent choice for hard-to-conceive mares. We're excited to see more Sunday kids in the U.S.!

Toronto is a powerful bay stallion that descends from the jumping horse producer and successful competitor, Now or Never M, who is stationed in Holland. Toronto's scope and athleticism can certainly be attributed to his sire. Now or Never M has many approved sons and is well on his way to establishing his own line in Hanoverian breeding. He currently has a high breeding value of 152 points for jumping on the German FN's ranking system, showing to consistently improve the canter. Toronto's grandsire, Voltaire, a highly successful international show jumper, is a consistent sire of top-ranked jumpers with temperaments of gold. Toronto's damsire is Belisar, by Saros xx, a full brother to Swazi xx, the sire of the Trakehner stallion, Consul. Saros xx comes from a strong line of successful steeplechasers, race winners and sport horses. The Now or Never M nick with Belisar/Saros xx daughters has proven to be an undeniably successful cross, producing the approved stallions Valentino, Winston Uccello, Alchemist and Vallado, in addition to Toronto. At his performance test, Toronto won the jumping phase of the test with an outstanding overall 9.3, which could be expected because of his outstanding pedigree. He scored an impressive perfect 10 on cross-country, 9.0s for natural jumping ability and jumping manner, 8.83 for free jumping and 8.67 for jumping technique. He gained the following scores: 8.0s for character, temperament, willingness to perform, conformation and canter, 6.33 for trot and 7.67 for walk.

Utopie is an international show jumper with great rideability and a fantastic disposition. He was successful at 1.60m with Marc Houtzager (NL), Candice King, Nicole Bellissimo and Kirsten Coe. He won the stallion competition in 2006/07 and was the first KWPN stallion of his licensing class to debut in the 1.60m with two clean rounds. Despite his focus on showing, he was sixth on the KWPN list for leading sires of offspring jumping 1.30m or higher, following closely behind Heartbreaker, Mr. Blue and Cantos—with 27.9% competing above that level. Utopie, a light type with correct conformation, has 56.4% consolidated Thoroughbred performance blood, combining Ramiro (Ramzes A) blood on top with Thoroughbred blood from Dutch toppers Lucky Boy xx, UpperCut xx and Tangelo xx and French blood from Calvados (Ibrahim AA) and Rigoletto (Ramzes AA). His sire Jacomar's 1.60m successes include third at the 2003 CSIO5\* Nations Cup in Dublin and first at the 2002 CSIO Grand Prix of Dublin. His dam, Pherna, competed at 1.60m, scoring 9.0 and 8.5 for her jumping on her IBOP. This line produced many grand prix jumpers. Granddam Cerna had five siblings jumping at the highest national level. Utopie was awarded KWPN top keuring sire, producing KWPN Star mares and several sons making it to the second and third round KWPN testing. In 2022, his offspring won the highest total in the U.S.—\$150,000 in winnings, making Utopie the top producer. Utopie also has produced several Gold Medal foals. Fresh available any day.

Velantis N is an exciting choice for breeders. His pedigree combination is highly sought after in the European breeding scene. Horses carrying his lines show quality, rideability and are sold at record prices. In 2022, Vitalis and Floriscout produced numerous top licensing candidates and sales for several European breed societies. Besides high scores and rapid ascent to top performance, the rideability and ease in which they adapt to the environment is unequaled, making these young horses fantastic to ride and own. Velantis is true to his pedigree: he's focused, intelligent and a quick learner, no matter what is asked of him. In his debut season, Velantis scored in the 70 to 80% range, winning both the CDS and USDF Open Training Level Championship. This success was followed by his stallion licensing and successful stallion performance test, scoring 8.0, 7.5, 8.0, 8.0, 8.0 with a 7.9 overall, ranking him in the top five in North America in 2022. In 2023, Velantis was CDS and USDF champion in the First Level Open division. Numerous scores over 80% in the FEI classes fulfilled his performance requirements, granting him lifetime breeding approval. Velantis earned an incredible 91.8% win in the FEI 6-year-old test, again making him a top qualifier for the 2024 Festival of Champions in the USDF's Young Horse National Championships. Velantis won every class entered, including the CDS 6-year-old futurity and Second Level open championship. An astounding Velantis foal crop yielded several AHS Gold Medal winners and Premium foals.

Vilancio is a striking, first-class stallion in an impressive dark chocolate chestnut coat. Always supple with an irresistible look-at-me factor, Vilancio is 16.3h and possesses maximum balance in all three gaits, an attribute that he demonstrates under saddle. Vilancio completed his 30-day test with the key aspect on dressage with a total score of 9.23 (9.63 interior, 9.0 trot, 8.75 canter, 10 walk, 10 conformation and 9.25 rideability). His breeding history is mostly in Sweden (Flyinge Stud), with at least three licensed sons in Germany with Vilanciano (dam by San Amour I, LB Warendorf), Veuve Cliquot HS (dam by Stedinger) and Verlaine by Fidertanz. Vitalis has 33 licensed sons. Vilancio's dam's sire, Lancet, participated at two Olympic games. In Athens in 2004, he finished 11th individually with Imke Schellekens-Bartels, and in 2008 in Hong Kong, he finished sixth individually with Emma Hindle and second with the British team. In 2009, he once again earned team silver at the European Championships in Windsor. Vilancio has had many premium and Gold Medal foals since coming to North American. His son, Vitali (out of a Jazz Time mare), was Fourth Level champion and Prix St. Georges reserve champion at 2023 USDF Dressage Nationals in Kentucky with his AA owner/rider Bonnie Canter.

Warcloud is a Hanoverian stallion with good bone and medium frame. Warcloud received his Hanoverian and Oldenburg NA licenses as a 3-year-old, with high scores of all 8.0s for conformation, typiness, impulsion, elasticity and walk. On the same day as his licensing, Warcloud won the Cosequin Breeders' Championship in the 3-Year-Old Colts/Geldings division. Warcloud performed through Prix St. Georges with his owner. Warcloud's sire, licensing champion Wolkentanz I/Weltmeyer, is a prominent sire of successful dressage horses and was Bundeschampionat for 3-year-old stallions in Warendorf. Wolkentanz I garnered an impressive 140.53 points in dressage and 133.78 overall, second of 35 at his stallion test. By 2020, he had 575 successful Hanoverian offspring earning well over £600,000, with 47 of them competing at the highest national levels in Germany. Wolkentanz's breed values give him a Hanoverian dressage score of over 134, with an incredible 154 for correctness and 146 for limbs. His FN breed value (nationwide, all breeds) as a sire of competing dressage horses was 145! Warcloud's dam, EM Bollonne, was an Elite Hanoverian mare, a broodmare and shown in between having foals. Bollonne's daughter, Wardance—a full sibling to Warcloud, was also shown successfully through Prix St. Georges with her owner. Warcloud's career focus and success have taken his rider to Prix St. Georges, rather than breeding. Warcloud sired a limited number of progeny while competing who have done well in dressage with some winning hunter and equitation championships.

Hanoverian stallion, Worthy Opponent, is successful through advanced level eventing. He produces versatile offspring, successfully competing in dressage through Intermediare I and FEI events. Worthy Opponent was reserve champion of his 100-day stallion test, receiving comments on his incredible elasticity, adjustability and rideability. He scored an impressive 135.2 overall, with five 9.0s for character, temperament, canter, jumping and ability to work, earning him the high-scoring Hanoverian award and winner of the jumping portion. His owner successfully evented him through advanced level, earning the AHS Horse of the Year at Preliminary-Intermediate Level four times (2010-2014). Worthy Opponent's sire, Waikiki (Weltmeyer), was third of 33 in his stallion test with 143.08 for dressage–father and son share great talent and versatility. Dam, granddam and great granddam were all States Premium mares. Dam, Hoheit, earned her Premium title at the young age of 4, earning 9.0s in rideability and jumping. Hoheit is by Hohenstein, Trakehner Stallion of the Year, a refining stallion known for improving type and rideability. He was stallion test champion and successful to Grand Prix. Hoheits' damsire is Archipel, known for outstanding type and ridability. Worthy Opponent's multiple Premium foals and site champions show he passes on amazing necks in length and arch, strong toplines and amazing movement. Successful offspring include 4\* eventer, Whiskey Up, out of a Lavita dam; Worthy Aspirations (out of a Don Frederico dam) who competed at Prix St. Georges; Wred Baron, an Oldenburg gelding competing at Prix St. Georges; and many others. ## DANNEBROG

Don Schufro/Donnerhall/Brentano II  
Hanoverian, 16.1-1/2 hh,  
VhW, AHS, ARS, GOV, KWPN-NA

Congratulations to Nat and Lynn Masin and  
Denali SDSF (Dannebrog/Rascalino/DeLaurentis).  
Denali SDSF won the 2023 USDF Traveling Trot  
Trophy, recognizing the highest median score of  
all Dressage Sport Horse Breeding champions  
with her score of 84.400%.

Dannebrog is ranked #2 in the 2023  
USEF Leading Sires for Dressage Breeding.

## BLUE HORS FLORENT

Floriscount/Desperados FRH/Lantham

Hanoverian, 17.1-3/4 hh,

WFPS N/N • Black

*Thank you for a successful season for Florent in 2023.  
We are very excited to see his first U.S. foal crop in 2024!*

Florent was Reserve Champion stallion of his 50-Day Test in  
Adelheidsdorf, where he achieved very good grades, especially for  
rideability and willingness to perform, canter and overall impression.  
Florent's 8.5 for jumping makes him a good option for adding jump to  
your dressage horse! He is a stallion who continues to develop and excel  
with plenty of potential for the future.

Oldenburg, 17 hh, VhW, AHS, ARS, HV, GOV, Westfalen

We salute Fidelis QC (Feinrich/Scolari) bred by Quinnten Alston of Quantico

Sporhorses for winning a 2023 Born in the USA award and was  
crowned the 2023 Dressage at Devon Foal Champion.

Dannebrog, Feinrich, Florent and Vilancio are all proven producers of the highest quality dressage sport horses.  
Each excelled in their individual stallion testings not only in quality of gait, but in temperament, rideability and trainability,  
which they pass to their offspring. Read about our stallions' successful offspring on Facebook at Pangaea Farm Stallions' Offspring.
