AMERICAN HANOVERIAN SOCIETY

Honoring Excellence in Hanoverian and Rhineland Breeding & Performance

The American Hanoverian Society (AHS) is proud to present our Advertising and Sponsorship Programs, a distinguished opportunity for individuals and organizations to support the advancement of the Hanoverian and Rhineland breed of horses in the U.S.

As a sponsor, you'll be part of a legacy that celebrates the highest standards in sport horse breeding, training, and performance. Your support helps us recognize outstanding Hanoverian and Rhineland horses through a variety of annual awards recognizing achievements in all sport disciplines and breeding categories.

By aligning with AHS, sponsors gain visibility within a passionate and prestigious equestrian community, while directly contributing to the growth and recognition of the Hanoverian and Rhineland breeds in the U.S. Join us in championing the horses that define excellence!
